

Hello everyone! This summer has been full of amazing moments with Jesus in Raise 'Em Up. I cannot wait for you guys to read all the updates and testimonies that took place in the guy's lives over this summer. Before I get into the testimonies, I want to give a **HUGE** thank you to all of you who have shown support towards me as a missionary and to the guys that I have disciplined. Your prayers and financial partnership has made such a huge impact on this generation and mission field. Even though your not with me physically on the field, you are still making a huge impact on this mission field! Thank you so much!!!

Summer Testimonies & Moments!

Graduation:

Towards the end of May, both Peter and Judah graduated from High School! I have had the honor and privilege of discipling and seeing these guys grow up into awesome Young Men of God. Both of them have a heart for the Lord and discipleship. Both carry great influence over their generation, and both have a desire to bring the gospel wherever they go. To see them own their identity in Jesus, and step into their purpose and calling from the Lord has been amazing!

Youth Camp:

In the month of July we had Youth Camp! The main focus was about the washing of the Word. We had many moments of connecting with our youth, and many moments of teaching/ discipling. Josiah and I had the main sessions of teaching at camp, and some of the guys that are a part of Raise 'Em Up had an opportunity to share what the Lord had put on their heart during small group times. We also had a chance to go on the beach and evangelize. Judah and I had a chance to pray over some people and give them an encouraging Word. We even had a chance to pray and encourage a dad who wanted a better relationship with his son. I love that we were able to shine the light and love of Jesus! Planting a seed makes a huge difference!

National Summit, UNCC Outreach & Ignite Movement

Many of you know I go to the National Summit Conference each year that is hosted by Ignite movement (College Campus Ministry). This conference is where a lot of college students, young adults, and NextGen Leaders come together, worship Jesus, build community, and get equipped. This year's theme was: Beholding and Becoming. Of course beholding and becoming like Jesus. This conference is always encouraging and a blessing to me. To see a church full of young adults worshiping Jesus, and desiring more of Him has always impacted me greatly. It encourages me that God has so much for this generation, and reminds me that this generation is after the REAL thing with Jesus! Each year I am poured into from this conference, and God marks me in a different way. This year's conference has definitely blessed me with their Leadership Track, where they had all of the NextGen Leaders come together for specific breakout courses. I felt equipped for this coming season and how to better strategize with discipleship.

In the month of August we started back up with our UNCC outreaches through FIRE Church. We were able to pray over the campus the beginning of the semester, and pray for many moves and encounters from the Lord with the students. We are believing to see a great outpouring of God's Spirit over these students! We have had the opportunity to encourage, pray, and speak with many students.

This semester I have the opportunity to experience Ignite Movement. It's been a blessing to see how college campus ministry functions. My friend, Skyler, leads Ignite UNCC, and to see a college classroom full of students hungry for Jesus, and desiring more of Him has shown me that there's a great harvest coming forth on campus! Students lead Bible Studies throughout the week, and have weekly gatherings each Sunday. I have even been able to join them on their prayer and evangelism mornings, where we have seen many students receive Salvation from Jesus.

The tide is shifting with this generation taking the lead. Please keep College Campus Ministries like Ignite Movement in your prayers. Ministries like these are making great impacts on College Campus life. It is a mission field that has been stirring in my heart!

THANK YOU & PRAYER POINTS

Guys! Thank you so much for all of the prayers and financial partnerships! I literally could not do this without you! You all are a part of this missions project and discipleship movement. Even though you aren't here physically, you play a huge part with helping me disciple a generation of incredible young men of God! Please, continue to pray for me and this group of guys! God is doing powerful things through Raise 'Em Up and there is more to come!

Prayer Points

1. **Full Time Missions:** In my last newsletter I made a huge announcement! I am transitioning into a full-time missionary! Please be praying for a smooth transition and an increase of financial partners. Discipling this group of guys is growing and it is requiring a full time focus!
2. **Prayer For Me As A Leader And For All Of the Guys:** Guys.... it can be hard out here on these streets.... Seriously, be praying for your brother and the brothers as well. God is doing so much and He is with us every step of the way, but please keep covering us in prayer. It's so appreciated and needed. It's a huge blessing!

HOW TO GIVE:

Thank you for supporting and partnering with me on my missions project. God is moving powerfully through this group of young men! More testimonies to come!

Thank you for reading and until next time, be blessed!

If You would like to give you can go to :

<https://fire-international.org/give/>

Directions how to give:

- 1) Go to link provided above.
- 2) Make sure it shows my last name in fund memo.
Fund: Scroll to my name(Myers) and click general underneath my name.
- 3) Enter the amount you would like to give. I am raising \$5000 a month!

Make sure you scroll down to my name in the fund section. You can give to my general account or project account.
