

Greetings, Friends.

I want to wish you the happiest Christmas and the most blessed of years.

The wonders of God's great love for us, expressed in the fullness of the Godhead arriving as a tender newborn who would conquer sin and death for us by bearing the horror of our own sin in His flesh and experiencing its punishment is too great to fully comprehend. Praise Him who was born to conquer sin and grant everlasting life to those who would receive Him. Let us fully and contemplatively celebrate the birth of Jesus, our Savior!

May your Christmas be filled with joy and the new year be blessed with peace, provision and purpose as you walk ever closer to the One who loves us with a perfect love.

God Bless You as We Reach Nigeria Together,
Joanne
