Lyons Spring Newsletter

Family Update: The weather in Northwest Iowa has been all over the place so far in 2026, with record highs and lows. When we can, we try to chase away the winter blues by getting the kids outside with their scooters, roller skates, and skateboards. We also took a trip up north for a winter playground vacation where we snowshoed, ice-skated and went sledding. The Lyons family has been in the midst of school activities and extracurricular activities, with a third grader, 1st grader, and a 4-year-old in preschool. Rachael is still at home with the two youngest boys while working part-time at the local YMCA and taking part-time classes through a local community college.

Thankfully, we get lots of help from friends and family to help keep our family running smoothly!

Update: We wanted to share a letter we recently received from a church where David has been helping for the last two years with some pastoral oversight, some administration, and preaching and teaching. It reads:

“We are writing this letter in regards to the help and support David Lyons gave to our church during a time of great challenges. After the unexpected passing of our pastor, we were needing the support of spiritual guidance to keep our church’s mission continuing. David became one of three pulpit-supply people who uplifted us weekly with their spiritual messages. Seeing our needs, David was instrumental in coordinating a rotating schedule for these pulpit-supply people,

with one teaching our confirmation class, until a new pastor was found.

Thanks to David’s insight and support...our faith family has been able to survive. God has been there all along guiding all of us through this process. We believe David was influenced by God to serve our church. With a new pastor in place our church’s mission will continue. We are forever thankful God put David in our lives.”

Thank you for your continued prayers and support. It is your partnership that is allowing us to try to reach the “least of these” as well as trying to serve the Body of Christ. If you need someone with whom you can talk or receive prayer, please feel free to reach out at 712.584.6079 or at wdlyonsjr@hotmail.com.
