Proverbs 24:11-12 "Rescue those being led away to death; hold back those staggering towards slaughter. If you say 'But we knew nothing about this; does not he who guards your life know it? Will he not repay each person for what he has done?'"

February 2026

Greetings, Friends!

I hope that you all have weathered the ice and snow from January's storm and have come through it just fine. God is our help and our protection.

News from Nigeria can feel distressing. Over 160 kidnapped in a coordinated attack on churches are still in captivity. My own Ezekiel is on a forced school break due to a riot on his campus. It began as a peaceful protest as students were booted from their dorm rooms to make room for a government Youth Corps initiation camp that had been moved out of a less secure area to the school property. Unfortunately, police came in with gunshots and tear gas to disperse students, which initiated chaos. School is closed until the three week camp vacates. Despite circumstances that encourage distress, the solid, unbreakable faith that God is sovereign and that He is GOOD brings peace.

Good News on Good News '26! We are only \$4,000 short of our goal! Surely the Lord is favoring this upcoming outreach and it is never too late to partner in His purposes! Thank you to the churches and individuals who have come along side! And thanks in advance to those who will join us in this endeavor, scheduled for early August. Last year saw over 2,000 kids a day being taught of Jesus and leaving with a large serving of wholesome food. 800+ responded to the message. We are believing for even greater impact this year, as smaller Good News Clubs have been formed to minister to Jebba's children year round. Also, a training for club leaders will be held in April. God is on the move!

LET'S DO IT AGAIN IN 2026!

God Bless You as We Reach Nigeria Together
