Philippians 1:29, “For you have been given the privilege of serving Christ, not only by believing in Him, but also by suffering for Him.” As a matter of fact, this has made my family and I realize that the privilege to work for the Kingdom of God is a gift and not a right. The power to work is a blessing and the love of work is a success by the help of the Holy Spirit.

Before June 20, 2001 when I surrendered my life to Jesus Christ as my Lord and Savior, I was on the verge of total ruin. In the midst of the assembly of an evil society in a corrupt world, but the Lord found me by His grace because I was lost and He said, “Come follow me and I will make you fisher of men” (Matthew 4:19). Then I discovered that, even though I am in this world, I am not of it (John 17:16) and must do my Master’s will.

I did return last month from a mission trip to Yaoundé, Cameroon as usual which is in central Africa. I had scheduled what I will be doing in Yaoundé when I arrived. A man’s heart plans his way, but the Lord directs his steps (Proverbs 16:9).

We the men of FIRE church in Concord, North Carolina USA had our three day retreat in April 2024 before my departure to Cameroon, and I decided to use that time to ask the Holy Spirit about the journey to Yaoundé, Cameroon. First, I had dislocated my knee and the Lord healed me in my room on the first night of the retreat. On the second night, while Dr Josh Peters and elder Allen Evans prayed for me, the Lord told me to go to a town called Mfou instead of Yaoundé as planned, which is 30 minutes away from Yaoundé, and unite the church to go out for evangelism.

I was invited by the pastor of the town to come on April 22, 2024 and explain what the Lord said. There were about twelve people of five denominations represented and after sending out the message from the Lord, I was asked when is my return day to the USA, and I told them May 8, 2024. They asked me if I can come back back on May 5, 2024 so they can invite other denominations because they were not aware. I was there on that date and described again what the Lord said and when I was done speaking I sat down. The president of the church in that town took the mic. He said, “God gave the same vision to a pastor years back and everything was going on well but the pastor died two years ago and the vision took a downturn, so God sent another person from the USA to remind the church and this time there is no slackening.”

We acknowledged the Lord with public expressions of praise, worship, adoration of our King of kings, Lord of lords, and God of gods as you can see below. I will be going back in August 2024 for the next move as evangelism is already going on by God's grace.

Also LOVELIFE Cameroon 🇨🇲 is soaring by the hand of God and sixteen babies have been saved from abortion in Cameroon even though our greatest challenge is in the area of financing to increase the number of babies to be saved, but God always make a way where there seems to be no way at the last moment.

LOVELIFE Cameroon authorization came out after a long battle and we were approved to march in the capital Yaoundé during the National Labor Day of May 1, 2024 in-front of the government authorities and many souls were also won before and after the march. Prior to the march, four of some who surrendered their lives to Jesus as shown below joined us to march. This is the Lord's doing and it is marvelous in our eyes.

My wife and I do appreciate you all so much, you've been so thoughtful, prayerful and supporting this great mission and these have made an impact and today stories are told because of our cooperate endeavor.

Surely, Goodness and Mercy shall follow you all the days of your life and you shall dwell in the house of the Lord for ever and ever.
