# ANZALDO'S NEWS

## February

At the community of believers in Ajijic we went to join a worship - prayer morning where the presence of God filled us up with His love. A beautiful time together.

## Ocilla, Ga.'s Team

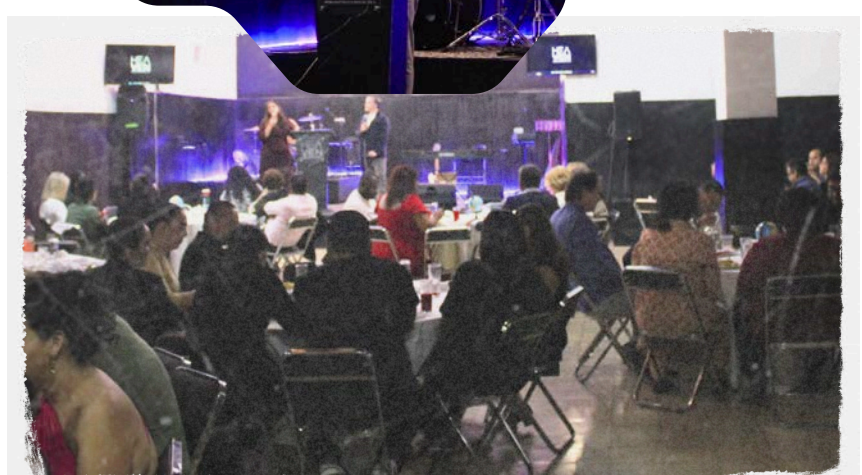

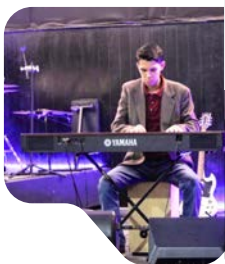

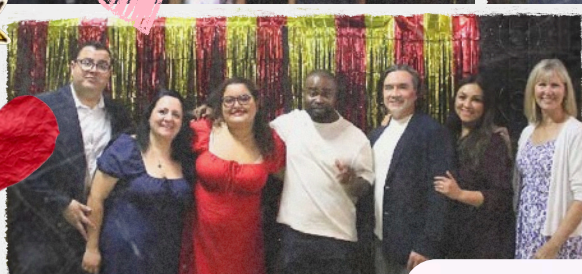

A team from Church of God in Ocilla came to give their love and gifts through Street Ministry, Church services, School of Ministry and everything with the seal of God showing up. People gave their lives to Jesus. We partner with them and have a lot of fun together.

## Fire Carries Gala

At the end of February we had our first gala ever! We were amazed with the response and God's faithfulness to us. He is so good. We were surrounded by people who loved us and believe in us. We just had to flow.

February - March

## March

Being part of the *School of Ministry* and being able to translate is something very fun and Sarah loves to be a voice for others (receives twice), and being around people like Sherika Lockhart is always the best part.

## Pastors meeting

Being part of a community of women who love God and are willing to be part of His plan is a Joy. Their women are changing history. Pray for pastors!

As we prepare for our new season, growing relationships are important. They keep you focused and moving forward. Sofia is a blessing to our family. She has grown so much in the Lord.

## Tobi Danette

Our little Tobi turned 4. We are so proud of her. She loves to worship, dance, pray and princess peach. She prayed for 3 weeks for Jesus to give her a dress of princess peach for her birthday, what a persistent way of praying.

## Helping...

This is Joe, Sarah's nephew we haven't seen him in 6 years. We got to see him at the airport on his way to Canada. A true blessing from above.

Any time is a good time to use our gifts. Here Temo is helping a friend with his skills.
