

JOEL CRUMPTON

# THE URGENT CALL

March 2026

Greetings, in the mighty name of our Lord and Savior Jesus Christ.

Serving Jesus never gets old - never gets boring.

I've been doing it for forty-eight years, this month. He is worthy of all the glory and honor and praise.

## EQUIPPING THE SAINTS

In February, I had the opportunity to teach a course on Miracle Evangelism at a local church called Expand the Kingdom. The people were so hungry to be equipped. During one of the sessions, eight men and six children received the baptism with the Holy Spirit and began to speak with tongues.

That Saturday, we all went to the local area and evangelized at several stores as we engaged in an Ultimate Treasure Hunt. We saw people saved, healed and baptized with the Holy Spirit in several different locations. Everyone was so excited! We returned to the church building afterwards and shared testimonies of what God did through us.

## CARRYING THE CROSS

A young man and his eleven year old son have been going out with me and carrying the big cross here in Fayetteville, Georgia. Every time we go, God arranges divine-encounters for us. The last time we did it, a lady saw us with the cross and pulled over. She jumped out of her car and chased us down to get our attention. After some conversation with her, we determined that she is a follower of Jesus. We asked if she had any pain in her body. She said that she did have terrible pain in her shoulder. I had the young boy minister to her in the name of Jesus as he prayed the prayer of faith and she was instantly healed. She was astonished and began to weep and give glory to God.

And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give. Matthew 10:7,8

Another lady and her daughter saw us with the cross, parked, and came up to talk with us. The daughter was wearing a huge leg brace from having a torn meniscus. The woman said she had terrible back pain. We ministered to both of them in the name of the Lord Jesus and they were both healed. The girl removed her brace and had no more pain. HALLELUJAH!

After receiving healing, she confessed that she had been backslidden and prayed with us as she returned to her first love - Jesus.

We prayed with the mother after her back was healed and she received the baptism with the Holy Spirit and began to speak with tongues right there on the sidewalk. GLORY! HARVEST IS READY  
Pastors are calling and inviting us to come and equip their people. We must redeem the time because the days are evil. - Eph. 5:16

We want to equip as many people as possible this year. The harvest is ready but the laborers are few. - Luke 10:2

**THANK YOU FOR PARTNERING WITH US!**

Thank you for your generous support that keeps us on the front lines. You are an essential part of everything we do.

“How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent? As it is written: “How beautiful are the feet of those who preach the gospel of peace, Who bring glad tidings of good things!””

Romans 10:14-15

We love and appreciate you!
