One of his favorite

finally settled in!

## Hello Family and Friends,

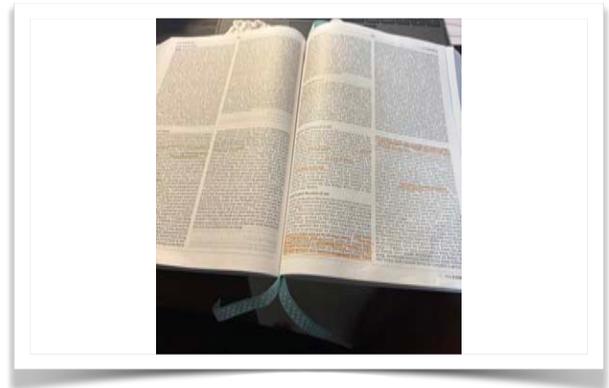

I celebrated 49 on February 10 with my traditional Strawberry cake with strawberry cream cheese icing and it was as delicious as it has been for the past 39 years!!! Though we've known each other for almost 20 years, this is the first year Andy and I celebrated our birthday together. I missed Rita, who is my original birthday twin but the day was great! We even had a second cake at the school that night and Andy taught powerfully!! It was an amazing day and will definitely be added to my memories of international birthdays! Thank you to each of you who thought about me and wished me well on that day!!

We also had spaghetti for lunch and I was very surprised by that because that was always my birthday lunch when my mom was alive. I haven't had it for Birthday lunch in 15 years. Andy and Karyn didn't know that, so we were all surprised with spaghetti and my memories. 😊

## Mexico

The picture on the first page was taken by Sarah's husband of us this past Sunday as we preached at Heaven Church! God gave us a solid word and hearts and lives were changed. It was a wonderful time of worship, The Word and the presence of God!!!

In last month's newsletter I introduced you to my friend Claudia and mentioned a little bit about our story as friends. This month I will be going to Queretaro (Que-Town), about 4.5 hours from Guadalajara to stay with Claudia and her husband Gerardo from March 13-April 3. Claudia speaks as much English as I speak Spanish and that is not a lot. We are both doing language study and we use Google Translate but we learned in January while she was here that it can be very helpful but it can also be a very frustrating way to communicate. Please pray for the three of us as we navigate life, ministry and communication for those 3 weeks! Andy, Karyn and some our team mates are actually taking Bogart and I to Queretaro. They

will be with me for the weekend. We will have street evangelism and Sunday service together with Karyn and the band leading worship and me preaching the Word. Prayers appreciated for all of these things!!!

**“When I graduated in December I was given this bilingual Bible, Spanish/English. It is such a blessing and is very useful for our 5am Bible study. I also use it to help with language study.”**

Bogart and I appreciate your prayer and financial backing as we serve the Lord here in Mexico.

### ROMANS 14:17

“For the Kingdom of God is not a matter of eating and drinking, but of righteousness, peace and joy in the Holy Spirit,” I have to say that one of my greatest privileges in this season is teaching! I've known for over 20 years that the Lord called and gifted me to teach and it's been more than 10 years since that call and gift was activated. Right now I am honored to teach a 5am Bible study and teach classes at FIRE School, Mexico!!! I always carry this joy inwardly but Tuesday night as I was teaching about a prophetic lifestyle my joy became an outward manifestation of laughter and apparently, it was contagious. Sarah is the very best translator and she makes me sound so much more animated than I am as she translates for me in Spanish and we both experienced Kingdom joy and so did many of the students! I am beyond blessed to be living the very life that I once dreamed of!!! As Karyn pointed out this is a picture of “1/3 of the Kingdom invading our teaching! JOY!!!!”
