## Newsletter

Thank you all for patiently waiting on an update. I am excited to share with you praise reports and some major upcoming changes. First, some of you remember I needed some major help with a jaw problem. The treatment process was supposed to cost me thousands of dollars, but a "random donor" paid for the whole thing. I broke down in tears, thanking God for His extraordinary generosity. Next, I am partnering with my parents to begin a small group for young people who grew up with parents in active ministry. Our goal is to create a space for meaningful conversation, prayer, and intentional listening. I think this is an excellent training ground for me as I prepare for the next step.

### **Prayer Requests:**

- 1. Monthly support still needed: \$900**
- 2. Peace and direction about new plans**

## **The Rest Before Preparing to Fight**

*"Behold, I am doing a new thing;  
now it springs forth, do you not perceive it?  
I will make a way in the wilderness  
and rivers in the desert." Isaiah 43:19*

So what is the next step? Some of you have heard me mention moving back to the States. **The purpose and heart God has put in me is to minister to missionary's kids and pastor's kids; the lost sheep within the church walls. I believe God has called me to that particular group of people because they need to know they are loved.** If your loved one or someone you know could benefit from this kind of ministry, please pray that God would raise up partners and give a clear direction for what is next. I am planning the move for next year, but I am still praying into the timing. As always, I thank God for you and I ask for your prayers. May your days be full of joy and peace! Merry Christmas and Happy New Year!
