

**We believe every child should hear the gospel and every village should have a church.  
Your prayers and support help reach unreached villages and care for forgotten children worldwide.**

## Moving Into 2026

### Thank You For Standing With Us

Dear friends and partners, as we move into 2026, we want to start the year by saying thank you for praying for us and for standing with us through your support. Your partnership helps us go where God sends us.

### Philippines Here We Come!

Our flights are booked, and our itinerary is set for our trip to the Philippines next month. This is such a huge trip for our family, **especially our son Elijah**, who is traveling internationally for the first time since being diagnosed with

Type 1 diabetes and celiac disease. **We want him to know that he is not limited by any disease! Can you help us get there?**

**We still need about \$3,000 to cover the cost of the trip.**

## CHILD IMPACT INDIA

### Helping people like you change children's lives forever.

Your support helps us care for children in India, and our monthly goal is \$500. Would you consider a one-time gift or a monthly gift of \$25, \$50, or \$100 to help us reach that goal and provide food support, school needs, and ongoing care through our local partners?

Help reach more children. ➡

## GIDEON'S INTERNATIONAL
