America & Cameroon

November 2025

Lord, my family and I wish to use this opportunity given to us by You to thank you for participating in the 26th Anniversary of FIRE International Conference from October 17th - 20th 2025.

17 symbolizes complete and spiritual perfection.

The ark rested on the mountains of Ararat on the 17th day of the seventh month. This marks a new beginning.

Jesus was resurrected near sunset on Nisan 17, securing a complete victory over sin and death.

The conference ended with the missionaries on the 20th of October 2025 and 20 symbolizes a complete waiting period and renewal.

Our leaders prayed for us, the missionaries, for renewal on the 20th of October and then sent us off to the mission field as you can see in the pictures below.

By the grace of God, AMERICAN YOUTH FOR JESUS was launched on Facebook a few hours before Charlie Kirk was shot on September 10, 2025.

In 2019, the Lord asked me to start a new ministry in the USA called AMERICAN YOUTH FOR JESUS and I went and told my spiritual father, Dr Josh Peters, and then the youth pastor of our church.

Dr Peters asked me to be praying and after about a year I totally forgot because the Lord also sent me to Cameroon, Africa in 2019 to unite the body of Jesus Christ and step out for evangelism, which I did as you can see below.

And in January 2021, the Holy Spirit sent me again to Cameroon to start LOVELIFE Cameroon to stand against abortion. We now have more than twenty babies there who would have been aborted.

Last year on October 21, 2024, which was the last day of our FIRE International Missionary Conference, we had a morning session which ended at 12 noon and we returned at 7pm.

My family and I were almost the last ones to leave the hall and on our way home, the Holy Spirit said that we should return to the conference hall and at the parking lot, we will see a brother and wife, and that we should take them to our house.

When I told my wife, she said, "Everyone must have left the premises" and I insisted and said, "Since the Lord said so, let us go back."

On arrival, we met a brother and his wife in their vehicle who were becoming FI missionaries also. When I told them what the Lord said, they were astonished because they had checked out from their hotel to drive back to Washington DC after the night prayer and they were contemplating where to go to get some food and rest until 7pm and here we came.

We took them to our house, had lunch together and rested before returning at 6:45pm to church.

We exchanged contacts with brother Michael & Raqia Baker and after the leaders prayed for us, they departed for Washington DC.

Between October 2024 to August 2025 we had communicated a few times and he called me around mid August 2025 to inquire about Cameroon.

The next morning while I was praying, the Holy Spirit asked me to call this time so we could launch AMERICAN YOUTH FOR JESUS and I was a little hesitant but Romans 8:14 says, "As many as are led by the Spirit of God, are the sons of God."

Faith came in, because "The just shall live by faith," Romans 1:17. I called brother Michael Baker a few hours later and his first response was, "Hallelujah."

We launched AMERICAN YOUTH FOR JESUS in the morning of September 10th 2025 on Facebook and physically carried out an evangelism outreach in Washington DC and Concord/Charlotte North Carolina as shown on photos below.

Thank you for your continuous support and prayers to the work of our Lord and Savior, Jesus the KING.
Yours, The Tembug Family
