STRENGTHENING BELIEVERS TO TAKE THEIR PLACE IN SOCIETY

19 August 2025

Dear Family and Friends,

Since mid-July, I've been having some self-care on my neck, shoulders, and back. First, I went to my physical therapist, but then he went on four-weeks vacation, which is very common in Belgium. Rather than wait for him to return, I found out about an osteopath in my neighborhood who has done great work for a neighbor. So, I have just had four sessions with him. I have much less pain, and hopefully will improve my posture. **Please pray I can sleep and sit in the right positions and healing will continue in my body.**

Then Saturday morning I jammed the two little toes on my right foot into something. The swelling is down, but the pain is not yet gone. **Please pray for healing of my foot.**

I will be **traveling to the USA 2 September to 23 October** to itinerate and attend my FIRE International's Missions Conference. **My US phone number (209-326-3745)** will be **active from 3 September until I leave 23 October**. If you would like to get together while I'm in the US, please let me know by e-mail, Messenger, WhatsApp (via my Belgian number) or by calling my US number.

I don't yet have housing for the 21 days I will be in my home-town of Atwater, CA. **Please pray for someone to house me or that I will have the needed \$900-1200 for an Airbnb.**

Please pray for safe travels and good health as well as all the finances needed for these travels.

I will have copies of my book with me, in case you are interested. Or you can purchase it via your favorite Amazon website.

I had my yearly check-up with my cardiologist in early July and my heart is good. **Praise God!**

May God's Kingdom come here on earth as it is in Heaven!

Love in Christ, *Carol*
