

THE NASKA FAMILY

TO KNOW GOD AND TO MAKE HIM KNOWN -LAUREN CUNNINGHAM

Dear friends,

Hello from the Naska family!

2024 is now here. Can you believe it? I can't help but wonder where time went. 2023 seems to have flown by so fast.

Our hearts are expectant and excited for all that God has in store for the year ahead.

Our family is doing well! Gabriel, Mayumi and Levi are doing great in school this year. They all love Jesus so much and are plugged in at our local church. Gabriel and Mayumi are now both in youth group! It's truly a joy to see our children growing in the Lord.

Missions trip

We have it in our hearts to do a missions trip to the Philippines this year. If the funds come in for our entire family then we will all go, but it may just be Peter and Gabriel that travel this time. *If you would like to give towards our missions trip you can direct your gift to "Naska Travel"*. The cost for one person is \$2,000. Any amount is greatly appreciated.

Invitation

We will be opening this trip up to those who have a desire to experience the Philippines. If you have never been on a missions trip you don't want to miss this opportunity! Contact Peter for more information on this trip.
