

Mexico

"Behold, God is my salvation; I will trust, and not be afraid: For the Lord YAHWEH is my strength and my song; He also is become my salvation. Therefore, with joy shall you draw water from the wells of salvation." Isaiah 12:2-3

**Dear Family & Friends,
March 2024**

First, I (Kathy) want to take this time to say thank you so very much to everyone that has prayed for me/us, helped us financially with the hospital bill and medical testing that I have gone through, sent emails, and called to see how I am doing. The Surgery was on February 28TH, 2024. My doctor came in and said that the operation was complicated, but everything went well. The cancer was only in my uterus, and it was very small stage 1a. There will be no need for chemo or radiation. Thanks everyone for the prayers.

ESFM

A.W. is teaching a class at the Bible school. There are about 15 students this semester. The teachers take turns bringing the teaching to the students each week.

Drug rehab

Robert Aultman brought a team from his church to work with Andy and Karyn Pricer. The team ministered sharing testimonies with the 30-35 men that were in attendance. A.W. was asked to translate for the team

at the rehab. What a blessing to be able to work with this team while they were in Mexico.

Buena Tierra

During the Sunday services at Buena Tierra the team and missionaries were at the church. At the end we were asked to pray for a lady that had severe stomach pain. After receiving prayer there appeared to be no change in her body. But then the Pastor of the church called AW and another pastor up to pray for those that wanted prayer. As AW was at the front the lady suddenly got up and ran up to AW. When she reached him, with a smile and tears she gave him a big hug and told him that she was healed! Praise God!

Dr. Peters and Miss Tobi Visit the missionaries.

Although it was a short visit, we enjoyed being with them in a church service/ Bible school classes as they shared their hearts with us.

Former student contacts A.W.

The other day A.W. received an email from a former student, Isai. He proceeded to tell A.W. that he was away from God. He had found a teaching series that A.W. taught so he started listening to the CDs. He began to rethink his life. He has come back to the Lord. The message burned in his heart and Isai remembered the purpose for his life. **Thank you, Lord!**

We will be coming to the USA in the fall 2024. A.W. is just beginning to set up our schedule for that time. If you would like us to come and visit your church, please contact us at: 1-731-438-4569 or via email: awloveskathy@hotmail.com and see if it would be possible to be in your area.

In His Service,

A.W. + Kathy Jones
