*Missionary Newsletter
of Eric & Casey Miller*

Psalms 24:3-4
Who may ascend into
the hill of the LORD? Or
who may stand in His
holy place? He who has
clean hands and a pure
heart, who has not lifted
up his soul to an idol, nor
sworn deceitfully.

Casey & David Ascended Mt. Apo, the Philippines' Highest Peak!

After climbing 9692 ft, they went to the top and prayed over the Philippines! This was David's big graduation trip! In August 2026 he will be attending Messiah University, the same school Jonathan is presently going to. The picture to the right is with two young girls who grew up in our feeding program and also climbed with the team!

MILLER HIGHLIGHTS

April 2026

Faith Promise Feeding Program Update

Although the pictures to the left are not children, they are pastors our feeding program staff had the joy of cooking for. This past month our ministry hosted 2 different ministerial fellowships. The first had 70 people; the second had 100. Eric even had the honor of speaking into the lives of these leaders. Not only are 120 children being fed this past month but an additional 170 pastors!

F.I.R.E School of Ministry Update

This past month our FSM students went on a missions to trip Trento Agusan. They served a local church whose pastor passed away just at the end of last year. The students were a great encouragement and had so many divine appointments!

A.C.E.S Update

It has been a joy to watch these kids grow academically, in character, and in relationship with God and each other. We have so many stories of success- shy kids becoming confident, struggling readers learning to love reading, and family relationships being strengthened!
