

# O Lord, Send Us To The World!

January 2026

Dear Friends,

**HAPPY NEW YEAR!!!!** It is hard to believe it is already 2026!!! WOW!!!! What a blessing to be entering a new year! We are confident knowing that the Lord already knows all that will be happening to all of us this year and already has joy in victories and solutions to problems waiting for us to receive. He is so faithful! So we rejoice with you for a brand new adventure with Him.

**PHILIPPINES TRIP RESCHEDULED!!** We, unfortunately, had to reschedule our trip to the Philippines. The day before we were supposed to leave, we were notified that a Category 5 Typhoon was forecast to hit Manila just as we were to be landing there! We contacted our travel agent and he was able to cancel the flights for us in time to be granted the vouchers so we could easily reschedule later. We were also able to receive refunds from our hotel bookings. It was RIGHT ON TIME!!! God is sooo good!! We have rebooked the trip for February 11-25. All our missionaries there understood and have been very gracious! We look forward to being with them in February.

**DECEMBER FUN!!** December is always a blessing as we take the time to slow down and remember all the Lord has done, especially His birth in Bethlehem so long ago. His love is what motivates us to go and share His light around the world!! Because He came, we go. It is really that simple.

We also enjoyed family time in Florida this year. Both our families live in Pensacola, so we had a week full of family!! One of our missionaries lives close by as well, so we were blessed to visit with Angela Nowling over coffee. Our FI family is truly family as well!!!

**THANK YOU!!!** We say this all the time, but we truly mean it from our hearts. Your support through prayer and finances means more to us than you can know. We have some that give much and some that give a smaller amount, but just knowing you are thinking of us, praying for us, and partnering with us is so encouraging. We pray for you as well. Please let us know if there are specific things we can be praying for you about. You can write requests on the enclosed remit envelope. You are not only our partners, but we are yours!!! We love hearing from you!!!!

Love in Jesus,

*Josh + Tobi*
