THE URGENT CALL

September 2025

Greetings to all our partners in the wonderful name of our Lord and Savior Jesus Christ!

THANK YOU

Our partners are the very best! Without your generosity, we could not do half of what we do. We love and appreciate each of you more than we could ever express in words.

THE BIRTHDAY BOY

Well, September 9th, I turned 70 years old. My health and strength are better now than they were a decade ago. I'm walking about 5+ miles a day on average, I take no prescription medication, my blood pressure is normal, and I'm cancer free! C'mon Jesus!!

HOMELESS MINISTRY

We've been busy this month with making some adjustments on when and how we minister to the homeless. Recently, the city of Atlanta has done away with almost all the homeless encampments. Our homeless friends are now scattered throughout the city, but we are finding them and ministering to their needs as we are able.

We aren't giving up our homeless ministry. In fact, we may be able to minister to them more effectively than before once we get everything sorted out.

OUTREACH TEAM

Two weeks ago, a group of people from several states came to Atlanta to be equipped and to engage in outreach on the streets. I spent several hours teaching and equipping them for miracle evangelism the first night. The following day, they went and helped feed several hundred homeless people at The Atlanta Mission. Afterwards, we went to the inner-city for outreach. It was glorious! About 10 people surrendered their lives to Jesus. Several received healing, and a couple of people received the baptism with the Holy Spirit. The team was very excited, and looked forward to going on an ultimate treasure hunt the following day.

ULTIMATE TREASURE HUNT

We met up at the Mall of Georgia food court for a time of equipping and prayer, received our treasure maps from the Holy Spirit, then went out to find the treasure - immortal souls. It was awesome!

Eleven people came to Jesus.

Several backsliders returned to their first love.

Several were also healed. Everyone was tremendously blessed and encouraged.

TESTIMONY

We saw a young man who had just gotten a meal in the food court looking for a table. He fit the description I had on my treasure map (limping, food court, blue shirt). We approached him as he sat down to eat, and I introduced myself. I told him what we were doing and asked about his limp. He told me it was an old football injury from high school. I told him that the Kingdom of God had come near him, and that if he would give me his hand, Jesus would completely heal his leg right then. He did ... and Jesus did. He was astonished. After some conversation, he confessed that he had backslid. We led him in prayer, and he returned to Jesus. HALLELUJAH!

There were many other similar stories from that treasure hunt. For the sake of space, I won't share them all here. Everyone was so fired up!

And as ye go, preach, saying, The kingdom of heaven is at hand.
Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.

Matthew 10:7,8

THIS IS OUR TIME FOR ACTION

The martyrdom of Charlie Kirk has so shaken everyone in America. That the lost are awakened to think about their immortal souls like I've never before witnessed in my entire life. So many are open to hear the Gospel now. We must take this to heart, and redeem the time because the days are evil. Since this horrifying event, we are wanting to equip and mobilize as many people as possible to go into the harvest fields and reap for the Kingdom of Heaven. As the great Leonard Ravenhill once said, "The opportunity of a lifetime must be seized during the lifetime of the opportunity".

The day before Charlie's memorial service, several of us went to the streets of Atlanta and carried the big cross through Woodruff Park. Many were saved and healed as we ministered to them in the name of Jesus. One young man, name Forrest talked with us for about 3 hours that day. He wanted to get right with God, but wasn't sure he was ready. Finally, he walked away without giving his life to Jesus. The following day, Forrest called one of our volunteers and said that he was ready to give his life to Jesus. We sent him to a ministry near where he was, and one of our volunteer partners led him in a prayer of repentance and faith in Jesus. GLORY!

MEMORIAL SERVICE

I was asked to come and help minister to a crowd of people, many of whom were not born again, who met at a waterfall in a rock quarry in Dawsonville, Georgia to honor the legacy of Charlie Kirk. After the service, I invited those who wanted prayer to come forward. Several of them came up. The first lady wanted to be delivered from alcohol. We reasoned with her concerning her sin, God's righteousness and the Judgment to come. When she understood, we led her in a prayer of surrender to the Lord Jesus Christ and gave her a Gospel of John. Several more gave their lives to Jesus and a few of them received healing in Jesus's name. Two people received the baptism with the Holy Spirit and began to speak with other tongues.

NORTH GEORGIA REVIVAL

When I left the memorial service, I went over to the North Georgia Revival. The message was powerful! Many came forward after the message for prayer. Since I'm on the prayer team, I had the opportunity to pray for several people who were healed and saved and received a powerful baptism with the Holy Spirit.

LIVESTREAM EQUIPPING FOR EVANGELISM

I am planning to do a weekly Facebook livestream to equip anyone who wants to be skillful in miracle evangelism. It will be every Thursday night at 9PM Eastern Time. This will begin immediately.

THANK YOU FOR BEING THE SUPPLY LINES THAT KEEP US ON THE FRONTLINES.
