SHAKE THE NATIONS. CHANGE  
THE WORLD!

Matthew 28:19

"Therefore go and make disciples  
of all nations, baptizing them in  
the name of the Father and of the  
Son and of the Holy Spirit"

JANUARY 2025  
Visited different churches in  
Matamoros, Tamp, MX, and  
South Texas.

We had a great time visiting part of our family, friends and different churches last January, where we witnessed how God moved in each of these Churches. We could feel the love and grace of God moving in each assembly. We saw lives changed before our eyes! The Holy Spirit is moving in Matamoros and South of Texas! Come on Jesus!

## CHRISTIAN COMMUNITY “RENUUEVO”

We had an invitation from our friends to share about first fruits teaching. We had a great time in worship in the Spirit and receiving God's word for the community. We also shared the bread with the Pastors and the congregation. And in a different meeting, God showed up and we saw back pain being healed and God created new arches on both feet. Also, God stretched out legs that were not the same length. God loves us so much that He is present in every detail of our lives!

## CHURCH, “ADORARTE”.

We had the blessing of being invited to this large church, where we witnessed how they do church. We had a conversation with few of the leaders about what God is doing in the missionary world. We saw a large number of young people worship and serving the Lord! We were impressed to see many servers!

## RANGERVILLE BAPTIST CHURCH

San Benito, Texas

We were invited to our uncle's church where he attends, they are such a kind, and beautiful congregation Pastor Terry shared. We were greeted by many church members and even had the opportunity to pray for healing for the pastor's wife. Also, we were invited to a gratitude lunch where all pantry volunteers were honored. God is good!

## FOOD PANTRY, RANGERVILLE CHURCH

We had the honor and blessing to participate on 2 occasions in the food pantry activity with the pastors and some church members. Around 200 families were blessed by this gift of God's love and provision. We also had the chance to pray for a few of the volunteers and the families that attended! Yay, Jesus, thank you!

## SOUP KITCHEN, "CASA DE LA MISERICORDIA"

We had the blessing of serving together with our Catholic friends. We were able to serve the needy with hot meals and coffee in this cold weather. Some of them needed warm clothes and we were able to provide them with certain clothing. People were really grateful, and we had the opportunity to pray and witness to some of them. God is moving in the Catholic community!

## NURSING HOME, “PAN DE VIDA”

More of God's move in the Catholic community: now in the nursing home where we were able to just listen and talk with some of these beautiful people. We were able also to play some board games with them, and we had the opportunity to feed them. They felt so loved and cared for that they started calling us grandkids! We could see the love of God in their eyes! Our God is great!

## Rescue House, “Nueva Vida”

Indeed, it was one of the greatest experiences we had with these children of God. They are so hungry for Jesus that you could see it in their eyes. We shared about the love and grace of God. We did some activation with them and the staff. We were in tears when these kids were praying for healing for the kids and staff members! God reminded them how loved they are and that the dreams that He put in their hearts will soon come to pass, in God's perfect timing! We were able to donate some backpacks and school supplies that the Rangerville community donated. God is connecting organizations through his love! Wonderful Jesus, thank you!

# SUPERNATURAL SCHOOL OF FIRE MEXICO, ESFM, TONALA, JAL

A new generation of ESFM 2025, and we were appointed as mentors. It's a lot of fun and responsibility. The students are very hungry and thirsty for knowing God more and be to used by Him. Praise the Lord!!!

## FEBRUARY- FIRE INTERNATIONAL MISSIONARIES VISIT JAL, MX

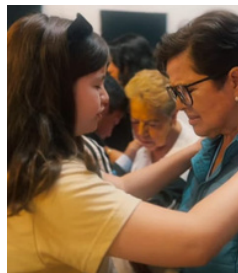

We also had the honor and privilege to help in hosting a FIRE International missionary team led by our directors Dr. Peters and Ms. Tobi. It was very deep and insightful teaching and activation time with them. The students were very touched. We also had 2 outreach activities where many people met the love and grace of God. We also witnessed how a man's vision was healed from cataracts and God began to restore his sight right before our eyes. He went from completely blind to start seeing 10-30% more. We know that God will continue to heal him. God is so good!

# CONEXION COMUNIDAD CHURCH, SAN JUAN DEL RIO, QRO.MX

We were invited to serve with some good friends in Queretaro, Pastors Julio and Johana Nieves. We had the honor to minister to the leadership and also had the privilege to share in the Sunday service. About 90% of the congregation was touched and were activated in their gifts and some received their calling from God. Father God really moved powerfully in Queretaro! Praise Jesus! We could see that the entire community is very hungry to know and be closer to Father God, Jesus and the Holy Spirit. God saw that, and God showed up, he ministered to every single heart in a different and unique way! Additionally, He ministered physical healing, inner healing, revived old or dead dreams, prophetic words, wisdom, guidance and new songs! We cry out, God, do it again!

With our friends from Queretaro, Pastors Julio & Johana Nieves. Thanks for the divine invitation pastors, we love you and your community!
