Heaven and earth will pass away, but my words will never pass away.  
Matthew 24:35

**April 2024**

This month of April was full of blessings. We had the first pastoral healing retreat and it was impressive to see God’s work on His pastors and how He restores our leaders' willingness. Just before the meeting—as a family—we went through difficult situations; my motorcycle’s tire got flat twice in the same day, my truck’s tire got flat, the battery died, the new motorcycle’s tire went defective, and through all that God showed His inexhaustible love showing His provision in different ways.

Through this letter I want to express gratitude for the love and affection you have for us (my family and me) by keeping us in your prayers. I pray that our God prospers your business, the place where you work, and may His peace surround you. Thank you for financing the ministry that God entrusted to us.

Special request:

1. The place we live has no electricity. We would love to have your participation in funding to buy solar panels. We need about \$4,500 dollars to be able to purchase the full equipment. Prayers are much needed and active participation. We appreciate your effort.

\*When a donation is made for the solar panels, please make sure to write a note FOR RELOCATION.

Thank you!

Strong we move forward with our eyes set in our Lord Jesus our Savior, awaiting to fulfill promises. Many Blessings!!

The Gutierrez Family
