Temo's birthday

First I want you to help me celebrate Temo's life. His birthday was on the 12th. We have almost been married for a decade and with it comes ups and downs. We have grown together personally, started a family, a ministry and we dream together. He is an amazing man and son of God.

Family, is
ministry too!

Meek & Humble
Colossians 3:12-14

Temo went with his mom to L.A. the first week of June. His uncle was ordained as a deacon. They share their love for Jesus and to run the race passionately for Him. He also told him: "Christians have the best part with the Spirit but do not forget the truth that is in the Bible." It was a great time to share faith and also connect with his sister that lives near. Our Father has children everywhere, beautiful isn't?

Fire Men's Birthdays

Not only is Temo from June, but also Alan, David, Adrian and most of the FIRE men here. I want to take a moment to recognize how valuable, deeply loved and amazing fathers they are. Only a true father can raise good fathers from His children. Happy Father's Day to all!

What is next

We are still ministering to FIRE Mexico's local team and growing together as a family. Going deeper in our bounds, this is how Jesus said we will be known!

I (Sarah) am also working on a personal dream and that is *writing*. I am in the middle of a Bible story series for children, hopefully we can celebrate that this summer!

Thank you!

Thank you for coming with us in our journey as missionaries, we love to see Jesus be exalted, people be trained, and lives be transformed. Without you it could be harder. We are excited for the plans that the Lord has ahead for us all. Thank you for partnering with us through your prayers & financial support.
