

FIRE STARTERS

March 2024

The continuing story of the Pricers setting it all ablaze in Mexico!

Can you believe we get to partner with Heaven!

Born for such a time as this.

WHAT AN AWESOME TIME TO BE ALIVE...

"And you will open their eyes to their true condition, so that they may turn from darkness to the Light and from the power of satan to the power of God. By placing their faith in me they will receive the total forgiveness of sins and be made holy, taking hold of the inheritance that I give to my children!" Acts 26:18 The Passion Translation

Blessings everyone! I love newsletter time because I get to go through pictures and relive memories of Jesus visitations. If you don't do anything else with your Christian walk do this, set an environment where He feels welcome and then do all you can to keep Him there. It's a little bit of heaven right here on Earth. And I think that's the idea. Enjoy this month's news.

Visitors

A few of our favorite people showed up in Guadalajara this past month. First our directors of missions, Dr. Josh Peters and his wonderful wife, Tobi, followed later by our favorite intercessor, Bille Boatwright. Our time with the Peters is always amazing and this time was no exception. We filled

their week-long visit with many of the familiar activities from church, school, and meeting with other missionaries, but this time we also include a 2-day trip to Puerto Vallarta. We took one full day to sightsee and another day to minister. From one of our connections there we were able to get a service with several churches and leaders in one place. After the worship and preaching we decided to have a fire tunnel (our favorite thing in the world). I asked who had heard of a fire tunnel and to my surprise only a few people had experienced one. So it was on! We gave a few instructions and the line for the tunnel wrapped around the inside of the church. They went through several times and we all felt the presence of the Lord.

Sandy stepping up to declare truths about herself

Hoping he doesn't spill the drink I just gave him

Shots from the field

-Billie using Karyn for an illustration

-Roasting marshmallows around the bonfire

-Getting ready to fly to Vallarta for ministry

On Sunday night we had our Fuego Mexico team out at the house for some dinner and prayer time. Dr. Peters shared a little word with them all and then they prayed over each one. Beto, one of our guys, was just telling me how much he felt God shift something in him since that prayer time and he will never be the same. Come on Jesus!

Our next visitor, Billie, has been coming to Mexico for over 20 years, and we have known her for many of those. She is a gifted teacher and intercessor. She prays continually for many ministries and leaders all around the world. Karyn got to lead worship at a 2-day conference down on lakeside that Bille ministered at for the retirees and then later she came and taught on intercession at our school. Great times!

Downtown

Karyn and I go out to the streets just about every week bringing food, medical care,

and Jesus. The only thing that makes those times even better is when we get to take others out there with us to help. We took 10 from the local YWAM base and let them lead the ministry time. In the evenings there is a group of homeless gathering under a bridge so we did some worship along with a short Gospel message. They were very receptive and we got to pray for them all afterwards. Such a diverse group from kids, adults, elderly, and even a few guys wanting to be ladies. Let's just keep praying and sowing seeds. Later on that night we had a bonfire with a local school and their families. Jesus and s'mores, nothing better!

Thank you

Just can't say it enough. You are so important and we are so thankful for you prayers and offerings.

Blessings, *Andy & Karyn*
