

REMNANT'S REST

God's beauty is all around us even in the storm. Ice coating all the trees and the sunlight shining through even when it is 6 degrees is beautiful. We are frozen in place after 3 days. The driveway is a sheet of ice and the tractor struggles to get out in 4-wheel-drive. Hopefully soon we can venture out. God has given Stephanie and I a few days to talk and be together. That has been wonderful.

After writing the previous newsletter I was near a Habitat for Humanity Restore and they had a large selection of new lower cabinets. I was able to pick up a couple for the kitchenette in the guest area. I brought them home and took some measurements. I will look for counter tops on Facebook Marketplace when the weather clears.

We still have not finished clearing the miscellaneous building supplies from the room.

We completed an archery backstop and moving target

Mark 1:35
Jesus got up, left the house and went off to a solitary place, where he prayed.

system. A local worship leader is a hunter who occasionally comes over and shoots on our property. Now we can shoot 100 yards clearly and safely, without compromising our equipment.

It's a dream of ours to have different activities for ministers to do while here at the property. We have art, crafts, hiking, and other activities to engage the ministers while they are here.

Pray for Remnant's Rest

My knee is so much worse. We are struggling to find a surgeon who will replace my knee given my circumstance. I am not able to walk very well or far, so exercise is difficult, and my serious digestive issues interfere with weight loss.

As we push forward this year to work on the kitchenette pray that wisdom and finances come to make it a comfortable and engaging place.

We thank God for each one of you, your prayers and your support as we complete the guest area of our home and welcome ministers for a time of renewal and refreshing.
