

FIRE TO THE NATIONS

Making Disciples, Changing the World,
Raising a new Generation of Servant Leaders.

HEALTH CAMPAIGN 2023

Last December Arit led a team of medical professionals to a neighboring village where we are building the new church.

Arit and her team brought healthcare directly to the remote village of Ongot, Yaounde -Cameroon! They offered medical consultations, checked blood pressure and sugar levels, diagnosed and treated malaria, and provided crucial medications. This outreach campaign not only addressed immediate health needs but empowered villagers with knowledge and tools to manage their own wellbeing, creating a brighter, healthier future for the community. They also prayed for the people in the community and invited them to surrender to Jesus.

A nurse checking blood sugar level and blood pressure

Medications to give freely to the villagers

My visit to Malawi and Zambia

I had the opportunity to represent Cameroon as the country coordinator for John Maxwell's Leadership Foundation.

From the transformative discussions at a leadership conference in Malawi to the powerful evangelistic meetings in Zambia, my journey through Southern Africa was a whirlwind of inspiration and impact. Immersing myself in the pursuit of positive change at the leadership conference fueled my passion for progress, while witnessing firsthand the transformative power of faith in Zambia's healing meetings was truly humbling. Particularly, the woman instantly healed of back pain served as a potent reminder of the extraordinary things possible when we open our hearts to JESUS. This incredible experience leaves me deeply grateful for the opportunity to connect with communities, contribute to their growth, and witness the unwavering spirit of hope that shines so brightly in these countries.

THE EKOBENA FAMILY - YOUR MISSIONARIES - AFRICA

Thanks to our precious partners. You can't imagine how your giving has made us to accomplish so much in the Cameroon

We also ask you to join us and:

- Finances - we started building this year- No more delays.
- For our new intensive 3 months Bible school program.
- Pray for our family in terms of good health, God's protection, and supernatural provision.
- Contact us : equip2lead@gmail.com
