January 2026

*"Behold, God is my salvation; I will trust, and not be afraid: For the Lord YAHWEH is my strength and my song; He also is become my salvation. Therefore, with joy shall you draw water from the wells of salvation." Isaiah 12:2-3*

## Dear Family & Friends, January 2026

**A.W. & I pray for you and your family for this New Year of 2026 to be filled with more of His presence in your lives. "The Lord bless you and keep you; the Lord make His face shine upon you and be gracious to you; the Lord life up His countenance upon you and give you peace." Numbers 6:24-26.**

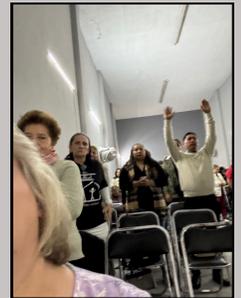

## Student Assistance Project

We are currently helping a pastor's children with their school expenses. Thanks to your generous gifts we were able to pay school expenses such as registration fees, uniforms, supplies and books back in August. But we were unaware that there is a fee that must be paid each month for both students and that has been difficult for the family to pay. The oldest daughter is now working 48 hours a week for \$2.70 an hour to save for college but has also helped her family by paying her brother's monthly fee for the past few months. If you would like to help us meet the needs of these students, you can send your tax-deductible donations to A.W. & Kathy Jones Student Assistance Project acct. c/o FIRE International P O Box 5306 Concord NC 28027. Or you can send it to us at [www.fire-international.org](http://www.fire-international.org) and specify A.W. & Kathy Jones Student Assistance project account. Any additional money received over the amount needed will go for the following months of expenses for the remainder of this year and then the upcoming school year for the 2 children.

## Our trip to Michoacan December 2025

1.) Bethel Church with Pastor Sergio & Jessica - Testimony: At La Iglesia Betel in Jiquilpan was their monthly meeting where 4 churches in the area come together and have a service and fellowship after. A.W. was talking with one of the pastors after the service and asked him about a girl that was healed the last time he was at his church, which was about a year and a half to 2 years ago. She was part of the praise team, but she had great difficulty singing and was in a lot of pain. God touched her and her pain left and she could sing again without pain. So A.W. asked the pastor whatever happened with her. He said, "Oh, she went back home to the states totally healed." Come to find out that she was only there on vacation and had esophageal cancer. God completely healed her and no one even prayed for her. A.W. just told her that they were going to sing a praise song to Jesus. As she began to sing all her pain left as well as all her cancer. God is so good!

2.) Palos Altos- Christmas event for children and adults. People came up for prayer after the message was preached. God was moving among His people, and they felt the love of the Lord for them. Some came forward for prayer and God moved in their lives.

3.) Drug rehab- A.W. ministered in a drug rehab that has maybe 100 men. It was refreshing to go and minister to men who are so hungry for God. Most have had a horrible past, but their future is hidden in Christ. God is moving in their hearts and in their lives as they have committed their lives to follow Jesus. God is good!

4.) Vision Vida Jiquilpan -This church shut down during covid and has just reopened 4 months ago. They are hungry for God and growing! We will be going back in January to minister once again.
