# THE URGENT CALL

January 2025

Greetings, in the name of our Lord and Savior Jesus Christ!

## CARRYING THE BIG CROSS

2026 is starting out very well. We have been carrying the big cross on the streets of Fayetteville, Georgia and God always arranges divine-encounters for us. We are seeing people saved, healed and receiving the baptism with the Holy Spirit as they approach us while carrying the cross.

Two teenage boys surrendered their lives to Jesus in front of a DQ.

A lady was healed as we ministered to her inside her car.

A young man received the baptism with the Holy Spirit in a parking lot after he approached us while we were putting the cross in my truck.

On another day, a young Baptist lady saw us with the cross and pulled over to talk with us. We talked with her about the baptism of the Holy Spirit and prayed for her. She immediately received and began to speak with other tongues.

## MALACHI

A brother named James from Expanding the Kingdom Church came with me to carry the cross and brought his eleven year old son, Malachi.

I set Malachi up to minister to a woman inside her car who said she needed healing. When Malachi prayed for her, he wasn't bashful at all. He spoke with boldness and authority. I was amazed! A few minutes later, I gave him some Gospel tracts and sent him to give one to a woman who was watching us from inside her car. He told me later, that on his way to her car he heard the word "back". When he got to the car window, he gave her a tract and asked her if she had back pain. She took the tract and said that she did have back pain. He told her that the Kingdom of Heaven had come near her and ministered to her for healing. To her astonishment, she was completely healed of "level seven" back pain. C'mon JESUS! Needless to say, Malachi is extremely fired up now. He can hardly wait to do it again.

## MIRACLE EVANGELISM TRAINING

I have been asked to hold a week of training classes at Expanding the Kingdom in Fayetteville February 2-7. We are inviting believers from other local churches to join us and be equipped to do the works of Jesus. Please send air support during this time.

## HOMELESS MINISTRY

As I mentioned in our last newsletter, we are working in conjunction with FRONTLINE Response to not only get our homeless friends into the Kingdom of God, but to enable them to get off the streets and into temporary housing. FRONTLINE Response leadership is excited to partner with us. They also provide meals, a warming center, four hundred beds for men and women, including families with children as well as temporary housing.

## THANK YOU FOR PARTNERING WITH US!

You are the real heroes.

An army is only as strong as its supply lines.

You are a vital part of everything we do.

Your inner-city missionaries,

Joel and Pat Crumpton
