STRENGTHENING BELIEVERS TO TAKE THEIR PLACE IN SOCIETY

16 March 2026

Dear Family and Friends,

We're in the third month of the year and so much has already been happening. **The Brussels government was formed** just after I sent out my February newsletter asking for prayer for it to be formed. Within a week, they had agreed upon a budget.

Also, in my February newsletter I said I had not received enough contributions to even pay my rent. Well, within three days, I received enough extra from Europeans to cover me for two months. **I felt so loved and accepted by receiving such support and encouragement.** And then I received more from the United States via FIRE International, which arrived on my bank account Friday. **Thank you to all who gave and who have increased their giving. God is so Good! Thank you for partnering with me!**

I've just finished giving myself two months of Ozempic injections. The side effects were a little uncomfortable, but not too bad. Today I started giving myself the highest dose of 1mg. **Please pray I can tolerate that dose and have no adverse side effects and that my A1c (sugar level) will decrease to the right level.** My next blood test is scheduled for May.

I am busy working on my income taxes and then the House of Prayer's end-of-year reports. **Please pray I can progress in all that admin.**

May God's Kingdom come here on earth as it is in Heaven!

Love in Christ,

Carol
