Hello Dear Family and Friends, I hope and pray you are well. I know many of you have suffered cold, ice and snow with low degrees of temperatures. We, on the other hand, have been up in the hundreds with fierce heat, dust, and winds. God rules and reigns from Heaven!!

Most of you know my grandson, Theo. He is the son of my son Joel and his mom is Liz. The Mtunga's have been my family from nearly week 1 of living In Moshi. I love this child and we have amazing times together. He prays like a warrior. He is a gift from God; I am blessed!

He will be 6 on 4/10/26

TEA TIME LADIES L to R

Linda is an amazing wife, mom of 2 little girls and a brilliant teacher.

Mboka is a loving wife, mother of 1 daughter and 1 teen-age son. She is also an amazing teacher.

Rosalia is a loving wife, mother of 1 son and is nearly finished with her doctorate in research.

Of course myself. We became a worship and prayer group nearly 6 years ago. The LORD gives us secret assignments to do that no one knows but us.

I am so thankful for your prayers. I arrived back in Tanzania on Dec. 3, 2025 to be greeted by my son, Johansen with great relief. There have been issues here that are unmentionable, yet serious. I have had numerous challenges from that time until now. I see the Light in all of it, and He has walked me through the fires with His Peace and Joy. Your Prayers have been my source of earthly, yet spiritual strength. God is always near, and that keeps me at peace. I thank Him and you all who have interceded for me. I feel the growing pains!!!

These 2 precious little girls are Linda's children. Divine is the oldest at 5 and Dineness is 3. They are very special little girls. I held both of them on the day of birth. Divine was a perfect little sleeper as an infant; filled with peace and calm. Dineness is a mover and go getter. Both are a joy to be around.

I am sincerely thankful for all of you who have supported me for the past 23 years! I can never thank you enough for your faithful commitment to the labor of love that God has for me here in Moshi. Many of you have known me for nearly 30 years. I am grateful. For those who have joined in along the way, I pray we get to meet in person at some time and get to know each other better...but my thankfulness includes all of you! My family and I love you so much and love seeing how God is moving in all of our lives.

With much love and many blessings, *Alice, Gloria and Johansen*
