Heaven and earth will pass away, but my words will never pass away.

Matthew 24:35

March 2026

May God continue blessing your lives.

I want to thank you for your consistency and prayers for my family. Each month is an adventure where we are learning to adapt to the situation. My children are involved in the congregation, serving in different ways.

Rua enjoys helping with media and takes photos at events. Nef serves in the worship team and has been invited to play at different events.

The youth from the congregation are excited to take their first missionary trip to another state in the country. Many of you have heard of the beautiful state Chiapas. With great joy and excitement, my children signed up to go.

Perhaps you have heard in the news that Mexico is going through violence. It is true, but it has been necessary, as some leaders of the cartel that controls much of Mexico and operates internationally have been captured.

We are very grateful to be part of your prayers. My family and I ask that our God prosper your soul and that His Word be a light on your path.

Prayer Requests:

- We are helping a pastor restore his ministry.
- That God would continue opening doors where the man of peace is.
- Finances.

Project “Mission Trip to Chiapas”:

If you would like to contribute toward Nef and Rua’s trip, they will be doing community service, helping evangelize in the streets, and visiting communities.

When you donate, please mention the project “Mission Trip to Chiapas.” Most importantly, please keep this group of young people in your prayers.

Blessings,
Gutierrez Family
