

The Summer Challenge

THE GUTIERREZ FAMILY

Our last newsletter announced that our family has recently relocated to a remote area for ministry and is currently living in a home without electricity. We need to raise **\$6000** to install solar panels, which will supply electricity to the house. One of our partners contacted us with a plan to accelerate the financing of this need. The donor will match every dollar raised for this project during June, July, and August. We trust that God will provide all the funds for this project by the end of summer. If you would like to partner with us for this project, mark 'FOR RELOCATION' in the memo section, and the funds will be designated for this project. We appreciate your support!

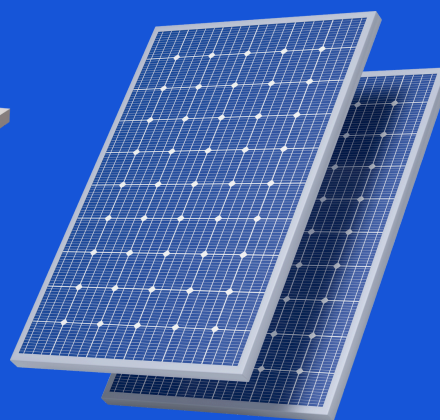

2 CORINTHIANS 9:8

\$6000 GOAL

Every dollar donated will be matched!
