

**We believe every child should hear the gospel and every village should have a church.
Your prayers and support help reach unreached villages and care for forgotten children worldwide.**

Why Strike The Ground?

Across the world, in places most people will never go, entire communities are still waiting to hear the name of Jesus. In unreached villages and hidden regions, children grow up without access to the gospel, safe water, food, or basic care. Many are forgotten, and many have never heard the name of Jesus.

This is why we launched Strike the Ground International.

God has called us to go where the need is greatest to partner with local pastors, plant churches, and bring life-giving help to those who have been overlooked. Whether it's a child in the mountains of India or a village without a church in South America, our mission is the same: reach the unreached, raise up disciples, and reveal the love of Jesus in word and deed.

Child Impact Project

Currently, we're partnering with Pastor Emmanuel and his team of church planters to **share the Gospel** and meet urgent needs in India's remote mountain villages. They're reaching **neglected, abandoned, and orphaned** children with food, medical care, and clean water, and most importantly, the gospel.

How you can help: **Join the Strike Team**

- **\$20/month brings basic necessities to a child**
- **\$25/month helps a pastor bring the gospel to the unreached**
- **\$50/month helps support our ministry efforts globally**

Your monthly gift, whether to feed a child, support a local pastor, or advance the gospel, makes an eternal difference.

REACHING

Go Make Disciples

We go, send, and mobilize others to reach the unreached with the gospel, aiming to plant churches where Christ is not yet named. Our mission is to see new believers gathered, discipled, and sent out to make new disciples and plant new churches.

RESTORING

Serving the Least of These

We serve impoverished children by providing food, care, and the gospel in places where daily survival is a struggle. Every act of compassion opens a door for lasting hope. As Fredrick Douglas wisely said, *"It is easier to build strong children than to repair broken men."*

RESOURCING

Advance Kingdom Leadership

We equip pastors and leaders through strategic conferences and gospel campaigns that strengthen the local church and multiply disciple-makers. Our goal is to see communities transformed by biblically trained, Spirit-empowered leaders.
