

FIRE STARTERS

March 2026

The continuing story of the Pricers setting it all ablaze everywhere!

Can you believe we get to partner with Heaven!

Born for such a time as this!

WHAT AN AWESOME TIME TO BE ALIVE...

"And you will open their eyes to their true condition, so that they may turn from darkness to the Light and from the power of satan to the power of God. By placing their faith in me they will receive the total forgiveness of sins and be made holy, taking hold of the inheritance that I give to my children!" Acts 26:18 The Passion Translation

Greetings from Mexico! Praying all is well with you. It has been another busy, crazy, fun, adventurous month. Put your seatbelts on. Blessings on you all.

North Carolina

The month started with a quick trip to the home office in Concord, NC. For those of you who may not know, I have had the honor of being asked to serve on the board of directors for FI. Meetings are twice a year, and attendance is necessary. It is great to be a part of an amazing organization that desires to see Jesus exalted in the Nations. Looking forward to where we take FI over the next many years.

We are always looking for new missionaries. If you feel the call to **GO**, let me know!

Billie Boatwright

One of our favorite people is Billie Boatwright. We have known her for many years, and the last couple of years she has been visiting us to be a part of our school as well as leading the intercession team at our Fire and Joy conference. She has an amazing teaching gift, especially for intercession. She pours into our students and then activates them into different areas of prayer. A local church here was also blessed by her visit. Thank you Billie for coming down and sharing your life.

Billie speaking words over the pastor

-Having too much fun giving the pastors the box drum I made for them

-Powerful time of worship

-Releasing life over a young man. Pulling him into a greater spiritual reality with Jesus

Weekend Ministry Road Trip

We obviously love traveling, and when we get to bring some of our team, it is even better. This past weekend, we loaded up the van with all our instruments and the band and headed four hours away to Querétaro, Mx. There is a local church there that Sherika, the missionary staying with us, will be working with full-time later on this year. We went for a ministry visit and to leave her there for a couple of weeks. We started with a Friday evening worship time, and it felt like it never stopped until we left on Sunday afternoon. The presence of God moved mightily with angelic visitations, salvations, healings, visions, and even a throne-room encounter.

took them out to the streets to share the love of Jesus with others. People got born-again, delivered, and set free. We put out our signs that we use here in Guadalajara, and people were very attracted to them. We interpreted many dreams and tattoos, along with doing lots of inner healing from past hurts. From alcoholism to the spirit of death over people, Jesus takes care of it all! The people of Querétaro are very hungry, and we look forward to our next visit. Praying for those who received new life and Fuego and know that the church we visited will never be the same. Come on Jesus!

Thank you

Again, we cannot do it without your prayers and financial support. You all are amazing! Open Heavens and more Fuego over you all this month!
