THE URGENT CALL

October 2025

Greetings in the mighty name of our Lord and Savior Jesus Christ!

We just returned from the FIRE International Missions Conference in North Carolina. It was so good to see the other missionaries who came in to be at the conference.

I also attended a pastors and leaders conference at Christ Fellowship Church in Dawsonville, Georgia.

TESTIMONY

While staying with a family during the leaders conference in Dawsonville, the man of the house told me that his dear wife had been suffering severely for eight months from fibromyalgia. She had intense pain throughout her body, severe brain fog, extreme fatigue, and several other symptoms. She could not easily speak and couldn't think clearly enough to even carry on a conversation. I anointed her with oil in the name of the Lord and prayed the prayer of faith for her to be healed and delivered from the spirit of infirmity. I asked a young lady who was visiting to come and lay hands on different areas of her body and command pain and weakness to leave in the name of Jesus. This dear lady immediately began to weep as she felt God's power flow into her body. Within a few short minutes all pain was gone, the brain fog disappeared, she was able to walk and bend over without pain or dizziness, and she was completely healed. HALLELUJAH!

The next morning, I almost didn't recognize her.
C'mon JESUS!

CRUSADE IN THE PARK

We went to a large park in Atlanta recently to work with a group from CFaN during an open air crusade. One of the young men went with me as I walked around the park inviting people to the crusade. We spoke to one man who was healed of back and knee pain in the name of Jesus, received the baptism with the Holy Spirit and began to speak with tongues, then was delivered from cigarettes and threw a new pack of cigarettes in the trash. He was so happy that he began to shout, "HEY"!!! We ministered to several others who received healing and the baptism with the Holy Spirit as well. It was a great day! The young evangelist preached and several came forward to receive Jesus. Afterwards, they were baptized in a horse trough.

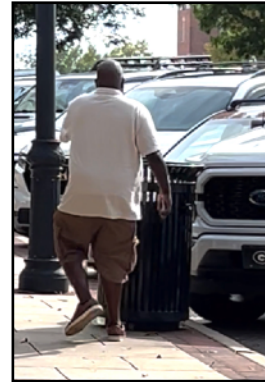

*And as ye go, preach, saying, The kingdom of heaven is at hand.
Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.
Matthew 10:7,8*

CARRYING THE CROSS

Pat and I went to Newnan, Georgia to help with an open air event there. Near the close of the event, several young people went with me as we carried the big cross around the square. We had several divine encounters. The first was a man who was sitting on a bench, smoking a cigarette. He had just purchased two large cans of beer, but had not opened them yet. I perceived that he had severe pain in his knees, so I asked him about. He confirmed that he did. I told him that the Kingdom of Heaven had come near him, and that if he would give me his hand God's power would flow into him and Jesus would heal his knees. He did... and Jesus did. He leaped to his feet and burst into tears. He was completely healed and a few minutes later, surrendered his life to Jesus. GLORY TO GOD! As he walked away, he tossed the two beers and cigarettes into the trash. We had several other divine encounters with people who were healed and who received the baptism with the Holy Spirit.

RETURNING TO KINSHASA, DRC

I have been invited to return to Kinshasa in the Democratic Republic of Congo in April to preach in two mass, open-air crusades. Please pray for us as we prepare for these crusades and that all the finances will come in. These mass crusades are very costly, but they can bring thousands of immortal souls into the Kingdom of God.

STREET MINISTRY

We continue to go to the streets and minister to the homeless as often as we wisely can. We are starting to work alongside another homeless ministry that has been in Atlanta for over thirty years.

PARTNER WITH US

Please pray and consider partnering with us as we continue to go to the frontlines and minister to the least of these. We can't do it without your help. We love and appreciate all our ministry partners who keep us out there.

Your missionaries,

Joel and Pat Crumpton
