THE URGENT CALL

October 2023

And as ye go, preach, saying, The kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.

Matthew 10:7,8

Greetings in the wonderful name of our Lord and Savior Jesus Christ!

We have been extremely busy over the past few months. The enemy has been trying hard to stop us, but greater is He that is in us than he that is in the world! We are more than conquerors through Him that loved us and gave Himself for us.

We are so grateful for all of you who have partnered with us to help keep us on the front lines of this battle for the souls that Jesus suffered for, to save them from sin and eternal damnation.

As some of you may know, Pat fell and broke her hip on July 15th and had to have a partial hip replacement. It was a very challenging time, but she is recovering very well and is able to walk again now without any assistance. HALLELUJAH!
THANK YOU FOR PRAYING FOR US!!!

Due to Pat's accident, I had to reschedule meetings in several states, but have since gone to most of those places and ministered. God is moving mightily in our meetings wherever we go:

- The lost are being born again.
- Backsliders are returning to Jesus.
- The sick, the afflicted and the addicted are being healed and delivered by God's power in the name of the Lord Jesus.
- Believers are receiving the baptism with the Holy Spirit and being equipped to do the works of Jesus.

BOWLING GREEN

While we were ministering in Bowling Green, Kentucky I called forward those who needed healing. Among those who responded was a young lady who had suffered from tumors in her arms and other parts of her body including her neck. Jesus completely healed her, and all the tumors instantly disappeared. She was astonished, and began to shout and give glory to God!

ULTIMATE TREASURE HUNT

After the equipping time on Saturday, several of us went to the local area to put into practice what had been taught. During an ultimate treasure hunt, several received healing and several surrendered all to Jesus at the local Walmart, including the couple pictured below.
C'MON JESUS!

ROCKPORT

Two weeks later, we traveled up to Indiana to minister at The Refuge of Rockport. Each night, many came forward during the call for total surrender to Jesus. Several received a powerful baptism with the Holy Ghost and many received healing through those who had been equipped.

“RED HAT”

On Saturday, during our ultimate treasure hunt there, a seventeen year old boy who has recently given his life to Jesus found a man that fit the description he had received from the Holy Spirit. One of the clues he received was “red hat”. Both of them were blown away when the boy asked the man if he had back or knee pain. The man said he had both. When the boy ministered to the man in the name of Jesus he was instantly healed! YES, LORD!

MIRACLE EVANGELISM CLASSES

I just completed the second teaching of a four week course on Miracle Evangelism at Christ Fellowship Church in Dawsonville, Georgia. You can view the classes on YouTube.

THE GAMBIA

As we approach the time for our crusades in The Gambia in Africa this coming January, we are spending more time in focused prayer. Because The Gambia is a Muslim country, we want to be diligent to focus our prayers for a great harvest of souls and many miracles of healing in the name of Jesus. AMEN! I have already made a \$2,000 deposit for this mission, and have the money to cover airfare. Agree with us in prayer for the balance of about \$5,000 to come in soon. God always makes a way, even where there seems to be no way. We are super excited to see what God is going to do!

We will be teaching over Zoom to about a dozen pastors and other leaders in The Gambia over the next few months to help equip them for this great harvest of souls.

HOMELESS OUTREACHES

Every Tuesday night, we are continuing our weekly homeless outreach on the streets of Atlanta. Recently, a young lady on the streets named Jordan surrendered her life to Jesus. She had been a practicing lesbian. The young daughter of some of our volunteers, Khaleessi, who has been volunteering with her parents, had a deep desire to pray for Jordan to be saved. That next week, Jordan specifically made it known to us that she wanted to surrender her life to Jesus.

Thank you so much for your faithfulness to partner with us through your prayers and financial support to help us gather- in a great end time harvest for our King Jesus. HE IS WORTHY!

Joel and Pat Crumpton
