

Anzaldo's Newsletter

Be thankful in all circumstances, for this is God's will for you who belong to Christ Jesus. 1 Thes. 5:18.

This monthly newsletter will be sharing July's and August's testimonies.

God is so good and faithful.

He is one of a kind!

Celebrate with us!

André, our boy, turned 6 in August. He is kind, smart, funny and gentle. He awes us with his comments about Jesus and him talking about things.

Here's an example of one of the last ones:

Mom: do you know that we have two pairs of eyes? - Really? - Yes! One pair we use here and the other ones are to see things in heaven! - Do you know who told me? - Jesus! (affirming with his head) .

A friend came to visit and André helped her to take her daughter's toy to her car. At bedtime he said to me, "Mom, I felt like a gentlemen when I helped your friend today. This is something Jesus does!"

In July we started going to Michoacan. We are meeting with people that Karen David ministered to when she was there before Treasure House. There are young men that used to be little kids when I started to visit them, too. It is so kind to see how the love of God remains in people's life when the only thing we pursue is for them to know Christ. One of them is already married and has a child. His wife met God's presence at Fuego y Gozo 2024 and she is on fire for the Lord!

Oaxaca Mission Trip

Many of you helped me to go on this Mission trip. Temo stayed at home working and took care of the kids, who are ready to go next time if the Lord lets us!

This trip was very special to me, I learned a lot about God's love and God's heart for Mexico, the missions and the Nations. Our yes counts to Him so deeply!

The people we visited were Andy and Karyn's first students and the churches that they used to go to 20 years ago! We heard stories about the love they expressed for them and the blessings they received. They were so proud, telling us what was done in that time with your help and support for the Pricers. They have continued during all these years and how they love HIM!

At our first meeting, I talked to a family who drove 8 hours to come and be with us. We gave prophetic words and ministered to them. They loved and fed us, amazingly!

In the photo above is the pastor's mom, wife and daughter and a sister from the church. They cooked for us and I made them laugh! At every meal, they gave us coffee or chocolate with sweet bread. They are so generous!

Every meeting God was there, opening the heavens, people got encouraged, and loved by the Father. One sister lost her parents recently. Irazú hugged her and we prayed for her, reminding her the truth: our Father is a good Father and is with her always.

...the earth will be filled with an awareness of the glory of the Lord. Habakkuk 2:14

Back in home

We went to intercede around the city. We prayed over Guadalajara on the public transportation route that goes around the city. We were able to declare what is in the heart of the Father. We saw signs and wonders as we prayed. At the end we had lunch at a park and we celebrated our God through the sharing of testimonies of what we experienced. It was fun!

We went on a date to an old theater. We went to a finance talk with comedy/drama. We laughed, we learned and most important, we heard God's whisper in old dreams of ours, back in the day when we were dating! God is into something because He keeps His promises!

a Special NOTE

Everything we do is possible because of you. Thank you for supporting us through your love, finances and prayers. We prayed to not be a burden but a joy. May the Lord keep blessing you!

At the home group Temo is teaching others to connect with Heaven, practicing God's voice for themselves.

His presence felt so sweet and some of us cried. He is so near to us and He loves to embrace us with His love.

In October we are planning to go to NC, for Missions Conference. May the Lord provide for it. We would love to visit you. Please contact us if you are available to meet with us!
