TANZANIA & the NATIONS

Greetings dear Family and Friends! Hoping this newsletter finds you well! We are doing very well! We are all healthy and strong. Both Gloria and Johansen are on summer break for about 1 month. They will both resume work in early August. We have continued to have more rain than usual, but still no dust or very hot temps. We are praying for you continually; thank you for letting us know how we can pray for you. God is compassionate and merciful. He does what He says He will do. His faithfulness endures forever

Below: Johansen was honored to be chosen to speak to the graduates of HOPE International and the Lord gave him prophetic words for each of the graduates. He encouraged them with wisdom and insight

Bibi Addy, 'me' ,loves this little 6 month old! He is about to start travelling on hands. And knees!

My grandson, Theo and I are meeting 1 day a week to have a lunch with Bibi (Grandma) time. I used the BANANAGRAM game to teach him all the words that you see there. He spelled them out and then chose the letters to write them! He's 4 and he is very bright!

I'm teaching Dr. Jesse to bake banana bread. He went home with 4 small loaves.

As I am detailing some things for my trip to the States in latter August, I am still working on connecting a few dots.
While I'm in Pensacola, FL I have a place to stay but will also need a vehicle for transport. I would be very thankful for a car to use while I'm there. I will be picked up on either the 14th or 15th of October to head to NC. I only need the car while I am in P'cola.
While I am in Concord, NC, I still don't have a confirmed place to stay, and I also need a vehicle for there. I will be in NC until the 28th of October.
These are the only 2 places where I am still wondering what the Lord may be planning for me. I have big faith to believe He is making the way for me to be in the States this year. If you can help me, I would so appreciate it.
I am so grateful for all the love, prayers, and support that you all have given me over these 21 years and my prayers are that you will reap 100% for all you have sown into my life. You have blessed me and my family!!
Lots of love, Alice, Gloria & Johansen
