

O Lord, Send Us To The World!

August 2025

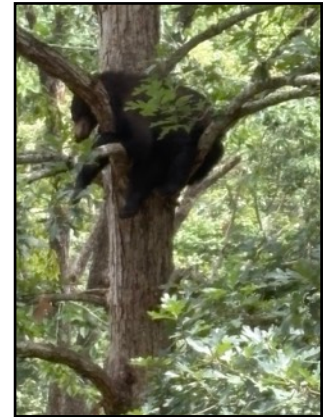

Dear Friends,

BECOMING WORSHIPPERS THE FATHER SEEKS!! This was the title of Tobi's message at FIRE Church on July 27th. Every month, we have what we call a "teaching Sunday" where a person is invited to teach on a specific topic. Tobi was honored to be asked to teach on Worship. It is one of her favorite subjects!! It is always a blessing to share at FIRE since that is "home" and we know and love the people!! And the best part is they are a worshipping church!! At the end, she led the congregation in acapella free worship. The Presence of the Lord came in. It was hard to close the meeting!!!! God is always so faithful to come when we worship Him.

CELEBRATING 31 YEARS OF MARRIAGE!!! July 16th was our 31st wedding anniversary. WOW!! We are getting old!!! LOLLOL!!! We had booked a Bed and Breakfast place in Arden, NC several months back. When we looked at the weather forecast, we were supposed to have major rain every day. We had planned outside activities, so were concerned that our plans might have to be changed. As His gift to us, the Lord changed the weather!!!! We only had rain when we were inside!!! Our outside plans continued with no interruptions. We were so blessed and had a wonderful anniversary. To top it off...a bear had decided to nap in the tree outside our bedroom!!! Needless to say, we didn't do any hiking in that area!!!!

MAKING TRAVEL PLANS!! We are in the process of making plans for our next international trip to the Philippines!! The current dates we are looking at is sometime in November. Please pray that Josh will be able to find the right tickets and the right price!! We haven't been to the Philippines since before Covid, so it is definitely time for a visit with the teams!!! We so appreciate your partnership in helping us travel. We also know that you also faithfully pray for us whether we are here or overseas. We are so grateful that you stand with us in both prayer and finances. We truly depend on you in so many ways!!! Please let us know how we can pray for you!!
