The December celebration of the birth of Jesus Christ at the Billy Graham Library was fantastic and glorious. The Lord surprised me to serve as Joseph the father of Jesus Christ. Thousands visited the Billy Graham Library and hundreds surrendered their lives to Jesus as Lord and Savior. This is the most honorable event of my life and the tangible presence of the Holy Spirit was moving and salvation, healing, deliverance and restoration of lives took place at every turn.

We choose to embrace the determination of preaching the goodness of Christ Jesus because of its inherent value to our society. The whole world saved or unsaved, desperately needs to hear the good news of the gospel since the harvest is ripe.

In Matthew 28:19-20 it says, "Therefore go and make disciples of all nations, baptize them in the name of the Father and of the Son and the Holy Spirit. And teaching them to obey everything I have commanded you, and surely I am with you always, to the very end of the age. All authority in heaven and on the earth has been given to Me."

The world has come to us right here at the University of North Carolina at Charlotte where there are students from numerous nations.

We were there for evangelism and the Holy Spirit brought more than twenty students to the kingdom of God. We took many contacts for followup. We are grateful to the Lord for the opportunity to share His love.

Testimony of sister Akombon Yvette: Today I speak not from a position of pain, but from a point of overflowing with joy; joy which I never imagined was to happen.

Truly, I was so lonely and fearful because my husband left me with two children after realizing I was pregnant. But when I was at my lowest moments, something incredible happened when LOVELIFE Cameroon 🇨🇲 stepped into my story which has now become a testimony of its own.

Immediately LOVELIFE CAMEROON 🇨🇲 offered prayer, encouragement and support.

They helped me to keep the pregnancy and at the time I didn't think I could move forward. They reminded me that I am not alone and that the child wasn't a burden but a blessing waiting to be revealed.

Today, I am holding the blessed child in my arms and praising Jesus.

I share my story now not with pity but to shine a light of hope because there are many women in the same situation, terrified, confused and feeling alone.

The president of LOVELIFE CAMEROON Judith and the coordinator for LOVELIFE South West Region, Pastor Beri, visited one of the mothers and baby in Kumba.

Thank you for your support and prayers.

Sincerely, Georgette and Emmanuel Tembug
