Hello Everyone!! I am currently at the Pensacola Public Library making every effort to use a computer I have never used before. Please excuse any errors.

I greet you from my heart of gratitude for all you have done and are doing for me. I greet you also from Gloria, who is now living in India and from Johansen and Joel who are in Tanzania.

I am nearly half-way through my journey here in the States and I have had many different kinds of encounters along the way. I have watched God do miracles and my faith is even bigger than it was before. I love watching how God changes things in a heartbeat. I am overwhelmed by His goodness and mercy!!

GLORIA: So many of you have asked how Gloria is doing in India. She is flourishing. She loves what she is doing and she is good at it. She is having amazing times in worship, and she loves the children so much! She is adapting very well and our long distance conversations have been wonderful.

JOHANSEN: Johansen has continued working for HOPE International with IT for the school and still loves what he does. He is filled with the Love of God and in all things he does, God is evident. The LOVE of GOD is Him blessing others for Christ's sake. **Thank you for praying for all my children!**

I would like to share with you one of the most amazing moves of God since I have been here in Pensacola. I have been going to a Tuesday morning Ladies Bible Study, which, by the way, has been food for my soul and a true delight.

I have watched God touch the hearts of these women, whose ages are all over the place. I have heard their testimonies and have seen the changes in their lives since I saw them 2 years ago. Some of the newer ladies are sharing their hearts, their struggles, their situations, and I have seen changes in them in just these few weeks!!

I encourage you to keep looking to God for help in every way... healing, deliverance, strength, peace and joy. **HE IS GOOD ALL THE TIME!!!**

There is something I need to share with you I am finding out that some of the churches that were supporting me have changed their way of doing so. Should your church be one of those and you write your checks on the MEMO for ALICE LIMPert and give the check to the church, the church may not be able to forward it to me at FIRE INTERNATIONAL. May I ask you to please do it differently? **OPTIONS:** 1) You may write your check to FIRE International and put my name on the memo line and I will get your financial gift. 2) You may go to the internet at WWW.fire-international.org and click on giving and find my giving place and send directly on line. If you have any questions about giving, please call FI Office at 704-782-3566 or send your envelope to FIRE International, PO Box 5306, Concord, NC 28027.

You can also download the FI app on your smart phone and use that online option.

THANK YOU all for your love, prayers and support. *We bless you in the Name above all names!*
