

# FIRE STARTERS

April 2026

The continuing story of the Pricers setting it all ablaze everywhere!

Can you believe we get to partner with Heaven!

Born for such a time as this!

## WHAT AN AWESOME TIME TO BE ALIVE...

**"And you will open their eyes to their true condition, so that they may turn from darkness to the Light and from the power of satan to the power of God. By placing their faith in me they will receive the total forgiveness of sins and be made holy, taking hold of the inheritance that I give to my children!" Acts 26:18 The Passion Translation**

Blessings on you all from Mexico. Praying all is well with you and yours. It has been another amazing month. Thank you so much for being a part of who we are and what we do. Enjoy!

### So Long Elise

Over the past two months, Elise has stayed with us, she came to learn, but at the same time she added so much to us. Thank you Elise for your bravery and willingness to do just about anything. It was a pleasure having you here with us and you left so many lives impacted for the better. We know God has great things for you. You are amazing and will be missed.

### Visitors

We have had different people in and out of our house pretty much all of 2026 so far. The week before Elise left, Jordan and Ashley, two ladies from Elise's church back in Boerne, TX, came down for a visit. It was great having them here. As you can see on the back side of the newsletter, because of their conversation with one of our students from our school, she decided to get water baptized in a nearby fountain. I love spontaneous moments like that. When Jesus grips someone's heart and says, "Let's go!" They also helped us minister at a local church. They were truly a blessing to us. Thanks for coming.

You know a short-term mission trip can be life-changing, not only for you, but for those you connect with on your travels. If you feel the Lord moving on you to go, just let us know.

### Local Ministry

In and around Guadalajara is where we do most of our ministry. From street ministry, wound care, Bible school, local church preaching, and worship leading. There really is no limit to how we connect others with the heart of the Father. Get this, we are working with some other local churches to go and evangelize during the four World Cup games being played here. People from all over the world coming to watch a game could just leave with a life transformation. Come on Jesus!

One of the churches we just visited is a place we go to a couple of times a year. The pastor is a good friend

of ours. Last year we visited, and I had given a word to a young lady about Alice in Wonderland. It was her first time back to church in a long time. It so impacted her that she gave her heart to the Lord, got on a local worship team, and has been serving the Lord ever since. She came to see us at the church because her dad told her we would be there on Sunday. One unique word and a life changed. Come on Jesus!

He is just so good. He is better than we think. Some of us need to change the way we think.

### Thank you

Please let us know how we can pray for you. You are a vital part of this ministry through your financial gift and prayers for us. Reach out to us. We would love to hear from you. Have an amazing day!

Blessings,
