Missionary to Tanzania

May 2022

Hello Family and Friends,
 How can we ever thank you for all you do to help us here in Tanzania? Words are not enough!

Pics at right: We celebrated Gloria's 26th birthday at a very special place, we had so much fun...we ate such good food, we laughed, we took pictures...we celebrated her in great fashion!

The pictures at left: Both Johansen and myself were blessed to meet a new couple, husband and wife, Lewis and Melody. They came to travel all over northern Tanzania to show the JESUS FILM & MAGDELENA FILM to villages and organizations who had never seen them.

pics at left...Johansen was able to arrange a showing of the JESUS film to a school about 50 min away from Moshi. He is still in the position of Vice-Chair for CASVETA TAYOMI. There were over 200 students who came to watch; it was amazing.

2 pics at right: Three of my friends and I invited 20 young ladies to see the MAGDELENA film; 9 of the ladies asked for discipleship ongoing so they may grow strong in the Lord. THANK YOU for your on-going prayers and love!!
