

Dear Friends and Partners,

Autumn is truly one of my favorite seasons. As the air cools and the year begins to wind down, our hearts are filled with deep gratitude and hopeful anticipation for what's ahead.

At Beauty for Ashes Philippines, we are also reflecting on over ten years of unwavering dedication to uplifting and empowering women who have endured the unimaginable hardships of the sex industry and human trafficking. I'm in awe of all that God has done and continues to do. Our mission remains the same—both stateside and abroad—to provide these resilient women with a foundation of support, a sense of community, and the healing they so deeply deserve, all while pointing them to Jesus.

Every December, Beauty for Ashes Philippines comes together for the Annual Christmas Gala Outreach, a tradition we hold dear. **This year marks our 10th Annual Christmas Gala, and it is so much more than a celebration—it's a sacred opportunity to share the Gospel of Jesus Christ.**

Each year, the women hear a message of hope, redemption, and new life found only in Him. Many encounter the love of God in a deeply personal way—some for the very first time. Your support helps make these moments possible, creating an atmosphere where hearts are open and lives are transformed by the truth of the Gospel.

Our goal is to have at least 60 families sponsored. **You can sponsor a family by making a tax-deductible donation of just \$35.** This covers the outreach event and provides a Christmas meal for each woman to bring home to her family. Your generosity allows us to meet physical needs while sowing eternal seeds of God's redemptive love.

We are so thankful for those who have already given so generously. Because of your faithful partnership, this outreach has been a success for many years, and we believe this tenth year will be even more impactful for God's Kingdom.

We pray that you would experience the peace and hope of Christ in your homes and communities. Thank you for empowering us to be His hands and feet, sharing His love and the Good News in the Philippines and beyond.

Grateful to be your missionaries,
Jeryl & Bethany Zimmerman

Hope Inspire Love's Freedom Walk was a tremendous success. We had 400+ attendees walking for freedom! Many survivors were in the crowd and were blown away that so many would show up for them and represent their voice.

ABOVE: Hope Mentorship Program Activities including a floral arranging class, special guest speakers and even equine team building!
BELOW: Apple picking with the Flushing, NYC crew, Guests from YWAM on the streets of the Philippines and outreach moments.
