

Time flies when you are
having fun!

This summer was filled with a ton of memory making moments! We were able to host teams as well - which is always so fulfilling for us as leaders and fun for the kids!!! I am certain each of us all end each short term trip more grateful, more encouraged, and in awe of the goodness of the Lord in the way He always comes through!

A Summer of Fun and Adventure!

Each day the children in our care get an allowance based on their behavior and daily chores. We are teaching the children the 80/10/10 method of Spend/Share/Save. Twice a year our kids are ready to spend their allowance. This usually falls at Christmas and of course summer. I hope you are filled with joy seeing all of these smiles!!!

Aracades, bowling, parks, swimming, beach trips, garage sale shopping, creating our own fashion show, eating out, and going to get ice cream (halo-halo) were some of the highlights

That is a wrap!

Summer has come to an end. We are thankful and want to praise God for His continued faithfulness for these children! We were able to raise all the funds needed for this school year!!! Thank you to those of you who helped make that happen!

We are so thankful for our Team!!! Some pictured and some not, but all appreciated!

The kids not only had a lot fun, but we had so many different opportunities for them to share their faith with outreaches, ministry with our short term missions teams, and our regular daily devotions. Sadly, we don't always have a camera around to capture these moments, but we know the Lord is blessed by them and we'll try to be better at capturing these times too!!!

And just like that....it is September and a NEW SCHOOL YEAR HAS BEGUN!
