Proverbs 24:11-12 "Rescue those being led away to death; hold back those staggering towards slaughter. If you say 'But we knew nothing about this; does not he who guards your life know it? Will he not repay each person for what he has done?'"

March 2026

Greetings, Friends. I trust you are looking forward to the milder weather and beautiful colors of spring. I know that I am!

In Nigeria, March is the hottest month of the year. News from the political front there is not good, as violence seems to be increasing and, while inflation rates are dropping, prices remain high.

In the midst of that though, our teachers continue to teach, our Good News Club with its clear Gospel message and discipling lessons continues to reach children and our kids continue to grow.

Ezekiel and Abimbola sent sweet messages on my birthday. As these young people grow and mature, they are comprehending the magnitude of the destiny changing gifts bestowed upon them by God through us, and they are profoundly grateful. Thanks to all of you who have helped them all the way from primary school to higher education.

I am deeply humbled and grateful for your generous support of Good News '26. The program is over five months away and we are now only \$2,000 short of our goal! God loves the children of Jebba!

Please pray for a seven day, intensive training session for our Good News leaders. The educational director of Child Evangelism Fellowship of Kwara State will be conducting a course called TCE1 (TEACHING CHILDREN EFFECTIVELY level 1). I have instructed it to be a retreat where the women will not go home to household responsibilities but will remain on campus in order to fully focus and benefit from the training. They will be fed, housed and tended to so that they can give full attention to assignments. It will take place at the end of this month. I am excited to see the growth of our child evangelists!

Thank you for your partnership in our continuing ministry in Jebba!
God Bless You as We Reach Nigeria Together!

That final \$2,000 will allow us to rent a tent and chairs for 1500 kids, while the youth hall and sanctuary will house the remainder of the children.

Blessings,
Joanne
