

“Beauty for Ashes”

"Look with wonder at the depth of the Father's marvelous love that he has lavished on us! He has called us and made us his very own beloved children." 1 John 3:1 TPT

As they say in the Philippines, "Happy Love Month!"

As promised, I wanted to share the 2023 Stateside Impact via Hope Inspire Love (the nonprofit Bethany works at as the Mentor Program Director). You can see our 2023 impact statement, so beautifully created by the HIL team on the following pages. Not shown on these pages is the impact Jeryl makes as chaplain at the local Youth Intervention Center or our continued presence and travels to Queens, NYC to add capacity to our Church Family at ICC and the community at large. God is so good and continues to provide a variety of opportunities to serve in various capacities and we are grateful.

The Beauty for Ashes team in the Philippines has had to endure several rainy outreach evenings and flood watches. The ladies seem to be filled with wonder and awe as the team pursues them and shares the Gospel no matter what the weather may bring.

Thankfully, on Valentines Day the skies were clear as was the message of God's love the team brought with cupcakes, cards, and prayers. The ladies are always excited

On a personal note, Bethany's grandfather recently passed into glory and on the same day Jeryl's Uncle Leon joined him as well. Prayers for our families during this time would be so appreciated.

*Grateful to be your missionaries,
Jeryl & Bethany Zimmerman*
