

REMNANT'S REST

Mark 1:35

Jesus got up, left the house and went off to a solitary place, where he prayed.

Like everywhere else, it has been hot here. The heat created some beautiful sun rises. The grass stopped growing for a couple weeks.

We added a member to our church's life group. Savannah wants to learn how to cook. I'd love to teach her, but we can't make the schedules work before she goes back to college in the fall. ***Please pray for her as she continues nursing school.***

We had a visit from some ministry co-workers who moved to Washington seven years ago. It's good to see people doing well and adjusting to changes. God has a way of bringing us closer to Him. We do not always like a challenge when it is happening but

love it when it has brought peace and wholeness to our lives. ***Life with Jesus is beautiful and constant growth.***

Our pastor and his wife had a huge surprise in a tiny package. We welcomed a new baby girl to our congregational family.

One night they received a call that their oldest daughter's biological mom was about to give birth and asked if they would foster the baby. They are moving forward with the long adoption process right now.

It could take a few years and a lot of money. ***Please pray for strength and finances as they adopt another little girl.***

I went to a Hobby Lobby for the first time in years and found some 3-dimensional art. Inspired by a mural-painting friend, I decorated the wall around the bed in one of the guest rooms.

Pray for Remnant's Rest

Construction on the garage is nearly complete. Miscommunication has led to a significant cost overrun on the garage. Pray for a solution.

Pray for our financial support. We have lost some supporters in recent months to the economy and sickness.

We thank God for each one of you, your prayers and your support as we complete the guest area of our home and welcome ministers for a time of renewal and refreshing.
