

**We believe every child should hear the gospel and every village should have a church.
Your prayers and support help reach unreached villages and care for forgotten children worldwide.**

RENCO at CFAN

Jenny has had the privilege of serving as Director of the Renaissance Coalition (RENCO) for the past two years. **Founded in 1908 by John G. Lake**, RENCO gathers like-minded, Kingdom-focused ministers committed to the supernatural power of the gospel. Last month, we hosted our first East Coast conference at Christ for All Nations (CFAN) in Orlando, FL. **Launched by Reinhard Bonnke in 1974**, CFAN has documented **over 100 million decisions for Christ**. What an honor to partner with movements like CFAN and RENCO that carry the legacy of John G. Lake and Reinhard Bonnke into this generation.

Family Ministry

Our family served together all weekend at the conference, then took two days to rest in the Florida sun. We grabbed ice cream at a Disney resort diner and watched the EPCOT fireworks from outside the park. **Thanks for cheering us on as we keep a healthy rhythm of ministry and family.**

MOUNTAIN BLESSINGS

Helping people like you change children's lives forever.

Each month, **you help us bring food, clean water, and essentials to children** in India's mountain communities. It's a joy to meet these needs, and an even greater joy to see our pastors keep the gospel at the heart of the work. Thank you for giving!

INDIA'S SALVATION

"All India Shall Be Saved"

Reinhard Bonnke often declared, "All Africa shall be saved." During worship at a CFAN Revival Night, the Lord spoke clearly to me, **"All India shall be saved."** Amen! The need is urgent. **Less than 3% of India's 1 Billion people follow Jesus.** The harvest is ripe! Pray for laborers!
