### Maundy Thursday – April 2<sup>nd</sup>

**Scripture:** John 13:1–15; Luke 22:19–20

**Reflection:** On the night before the cross, Jesus does two powerful things: He washes His disciples' feet and He institutes the Lord's Supper. Both actions reveal the heart of resurrection life. Jesus gives life not by grasping power, but by giving Himself away. He kneels as a servant and offers His body and blood as a gift. Resurrection life is rooted in sacrificial love — a life poured out for others. To be made alive in Christ is to learn how to love as He loves.

**Consider:** Where is Jesus inviting you to lay down pride and love others more sacrificially?

**Prayer Prompt:** Ask Jesus to teach you how to love and serve others with humility. Surrender any pride, control, or self-centeredness, and invite Him to shape your life into a gift for others.
