PREACHER'S CORNER-GUEST WRITER.....

Hey Church family! Summer is definitely in the air...along with heat, humidity, thunderstorms, etc... Anyway, summer break gives families a chance to do new things, break the rhythm of the school year, and enjoy some fun times together. We have a great TipTopTuesday schedule planned for kids and Summer Daze plan for youth. Please plug them in! In the busy-ness of summer, I hope you will intentionally do two things. First, don't get TOO busy. Intentionally plan time for your own personal Bible Study and growth. I tell my kids all the time, it won't happen by accident. Plan and follow through. Second, look around at folks in your SS class or on your street. How can you intentionally invest some time to minister to them? A backyard BBQ? Swim party? Go to a Spartanburgers game? And "as you are going" ask purposeful questions like "what do you think happens when we die?", "do you feel like you are significant in this world?", "have you ever thought about how much God loves you?" Kids, youth, adults...everyone wants to be significant to *somebody*. Listen well and be that *somebody* to someone else. God loves you/them enough that He provides a way to be made right and experience true significance in his Son, Jesus. Say it out loud to your friend/neighbor, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. Try it out, it's a great way to spend a summer! **BigDave**

NEW WEBSITE Online Giving Process

With the new church website, we also have a new processor of online giving for tithes and offerings. As with most online payments, there is a fee associated with each electronic donation. If you give acknowledging the fee, the transaction will show the main contribution to the church, plus the fee so that the church receives the amount you intended. If you click off the transaction fee, the fee will be deducted from your intended donation so your contribution to the church will be a few dollars less. You may choose either way, but your contribution records will only reflect what the church received for tax purposes. If you have any questions about the required fee, please contact Becky Blackwell in the church office, Deacon Chair Shaun Moss, or Fnance Chair Lee Brown.

Sue and I, along with our family, wish to thank you for the surprise on Sunday, 5/18. Your generous gift to the "Henry Stanford Scholarship" was such a blessing to us. Had it not been for scholarships, we could not have received an education. We enjoyed the delicious meal and the wonderful fellowship with all of you.

*Our love,
Sue & Henry*
