Jesus Culture---A Culture of Potential

Miracles---Possibilities---

Luke 5: 1-11---The Calling of the first Disciples started with a miracle

Luke 7: 36-48---Forgives the Sinful woman

Luke 8: 22 – Rebukes the Storm and the winds obeyed Him!

Luke 8: 26-39 Visited Gadarene Demonic---Gentile area

Luke 8: 40-54 Raised up Jairus' Daughter---ruler in the Synagogue, daughter of 12 years old...

Luke 9: 1-6 Sent the 12 out with authority over devils, and to cure diseases...

Luke 9: 10- feed 5000 with two fish and 5 loaves of bread

Luke 9: 28 Mount of Transfiguration met with Moses and Elijah

Luke 9: 37 The boy at the bottom of the hill that the disciples could not help...but Jesus did and taught them where the power came from???Prayer and fasting!

On and on the unfolding of the person of Jesus in their lives.

When Jesus is in the room, on the hill, coming down the street anything could happen but if you and I do not have Jesus with us, we are powerless in this world of death.

- Potential for Forgiveness
- Potential for storm conquering
- Potential Deliverance from Satan's Grasp
- Potential healings
- Potential Deliverance from Hunger/ Death/ Demons/
- Potential meetings with Heavens Angels/ Miracle Provisions/ Mighty moves/ Etc...

1. But Jesus sees things so much different than we...Mary Magdalene and the Adulterous woman, Zacheus as well as the Centurian. Turning the tables over??

2. Jesus will send us into troubling situations and we will not understand... Both Boat Rides??

The Way of Christ is exciting but glorious!

What could possibly be on earth that is worth giving up this potential for???

But note---John 14:

It's all about Harmony/ It's all about Obedience / It's all about having a relationship with Jesus / It's all about being there!
