**We are walking this journey together
and we are awakening to our identity;
becoming healthy, strong and
empowered.**

Why are WE here?

To transform lives through love.

How are WE going to do that?

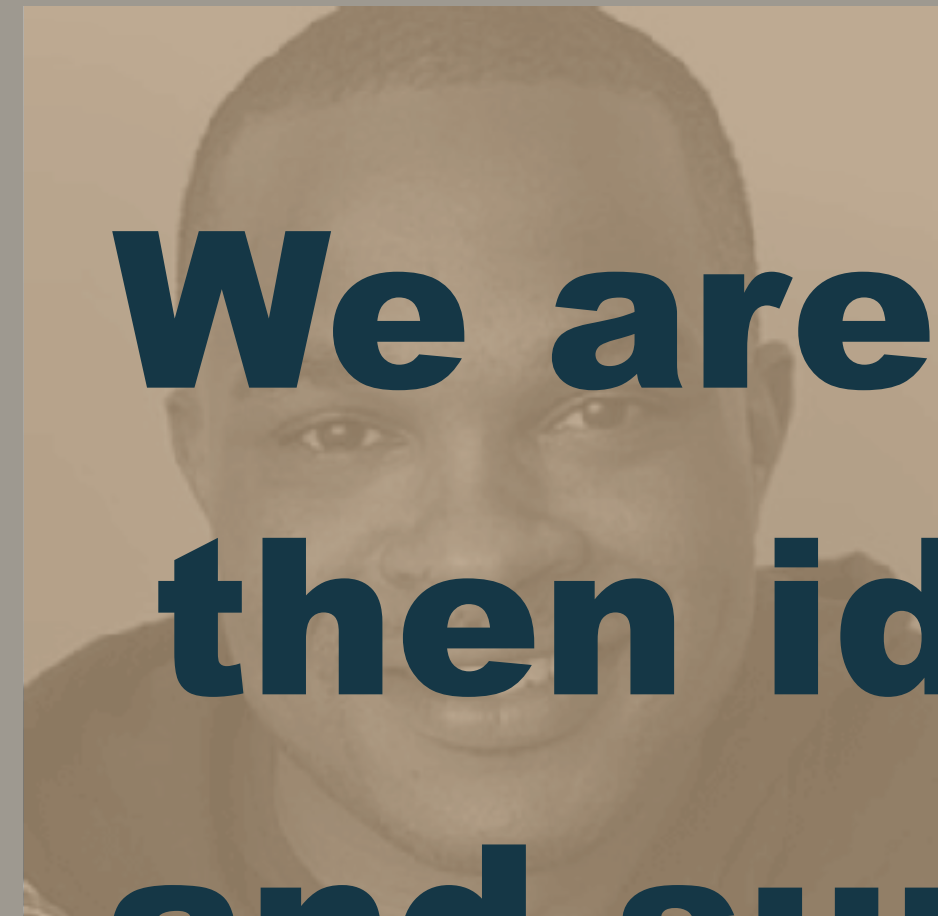

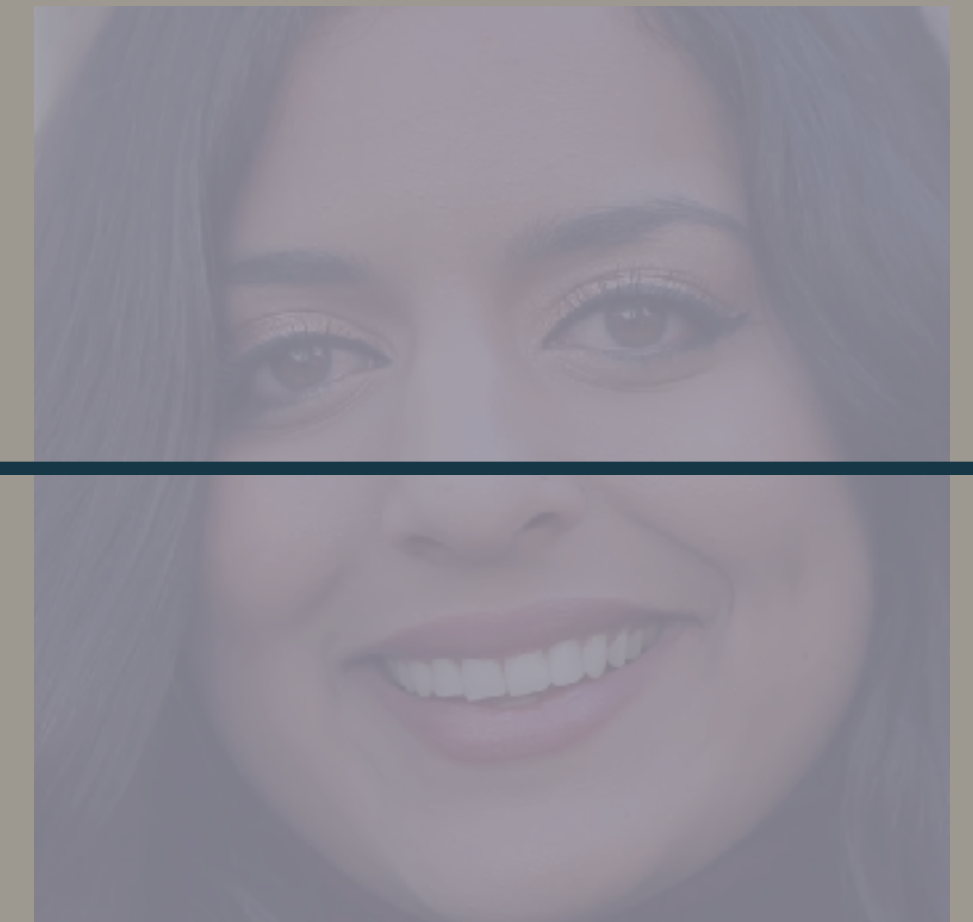

Experience God.

Be family.

Share love everywhere.

Who are WE?

**We are first a people of His presence,
then identity focused, love motivated
and supernaturally equipped family of
families.**

As a result of our time together today, I want you to live BY His presence, WITH His presence, feeling the invitation to confidently and publicly express the sacredness of your personal encounters with Jesus.

What's next?

- 1. Say yes to being a person of His presence.**
- 2. Decide what you will give up so you can take up what matters most.**
- 3. Know your goals.**
- 4. Invest in people.**
